Commission Implementing Regulation (EU) 2017/1454 of 10 August 2017 specifying the technical formats for reporting by the Member States pursuant to Regulation (EU) No 1143/2014 of the European Parliament and of the Council

COMMISSION IMPLEMENTING REGULATION (EU) 2017/1454

of 10 August 2017

specifying the technical formats for reporting by the Member States pursuant to Regulation (EU) No 1143/2014 of the European Parliament and of the Council

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1143/2014 of the European Parliament and of the Council of 22 October 2014 on the prevention and management of the introduction and spread of invasive alien species[(1)], and in particular of Article 24(4) thereof,

Whereas:

(1) Regulation (EU) No 1143/2014 provides that the Commission is to specify the technical formats for reporting in order to simplify and streamline reporting obligations for the Member States in relation to the information pursuant to Article 24(1) thereof.

(2) For this purpose, this Implementing Regulation limits the reporting of free texts, facilitates the collection of data for the purpose of deriving key indicators and favours reference to information that is already publically available at national level while using the benefits of applying Directive 2007/2/EC of the European Parliament and of the Council[(2)] for spatial data as well as ensuring coherence with related policies such as Directives 2000/60/EC[(3)], 2008/56/EC[(4)] and 2009/147/EC[(5)] of the European Parliament and of the Council and Council Directive 92/43/EEC[(6)].

(3) Directive 2007/2/EC requires that public authorities in the Member States make spatial data sets available in conformity with the implementing rules on metadata, network services and interoperability of spatial data sets and services set out in Commission Regulation (EU) No 1089/2010[(7)], including the provisions in Section 18 of Annex IV ('Species Distribution') of that Regulation.

(4) The measures provided for in this Regulation are in accordance with the opinion of the Committee on Invasive Alien Species,

HAS ADOPTED THIS REGULATION:

Article 1

The technical formats to be used by the Member States for transmitting to the Commission the information pursuant to Article 24(1) of Regulation (EU) No 1143/2014 are set out in the Annex to this Regulation.

***Changes to legislation:** There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1454. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 August 2017.

For the Commission

The President

Jean-Claude JUNCKER

***Changes to legislation:** There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1454. ANNEX

Technical formats to be used by the Member States for transmitting to the Commission the information pursuant to paragraph 1 of Article 24 of Regulation (EU) No 1143/2014 on the prevention and management of the introduction of invasive alien species

INFORMATION SUBMITTED IN APPLICATION OF ARTICLE 24(1) OF REGULATION (EU) No 1143/2014	
Member State	
Reporting period	

SECTION A

Information to be submitted for each of the invasive alien species of Union concern and for each invasive alien species of regional concern subject to measures as provided for in Article 11(2) of Regulation (EU) No 1143/2014

Information on the species, its distribution, spread and reproductive patterns			
1.	Species scientific name		
2.	Common name of the species (*optional*)		
3.	Is the species present in the territory of the Member State?	Yes	#
		No	#
		Currently unknown	#
4.	Distribution of the species, including information on its spread and reproductive patterns (*to be completed only if the answer to question 3 above is 'Yes'*)		
5.	Additional information (*optional*)		

Information on the permits issued for this species ***To be completed only for invasive alien species of Union concern***			
6.	Have permits been issued for this species during the reporting period?	Yes	#
		No	#
7.	*To be completed only if the answer to question 6 above is 'Yes'*		
	Calendar year concerned		

Changes to legislation: *There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1454. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

	Purpose of permit	Number of permits issued	Total number or volume of permitted specimens corresponding to the permits issued
	Permits for research		
	Permits for *ex situ* conservation		
	Permits for scientific production and subsequent medicinal use to advance human health		
	Permits for other activities after authorisation by the Commission (Article 9 of Regulation (EU) No 1143/2014)		
8.	Additional information (*optional*)		

Information on inspections*To be completed only for invasive alien species of Union concern and if the answer to question 6 above is 'Yes'*

9.	Calendar year concerned				
	Purpose of permit	Number of establishments subjected to the inspections	Number or volume of permitted specimens corresponding to the permits held by the inspected establishments	Number of inspected establishments deemed non-compliant with the conditions set out in the permits	Number or volume of permitted specimens corresponding to the permits held by the inspected establishments deemed non-compliant with the conditions set out in the permits
	Permits for research				

***Changes to legislation:** There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2017/1454. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

	Permits for *ex situ* conservation				
	Permits for scientific production and subsequent medicinal use to advance human health				
	Permits for other activities after authorisation by the Commission (Article 9 of Regulation (EU) No 1143/2014)				
10.	Additional information (*optional*)				

Information on rapid eradication measure(s) taken for this species(Article 17 of Regulation (EU) No 1143/2014)

11.	Has the species been subject to rapid eradication measures during the reporting period?		Yes	#
			No	#
12.	*To be completed only if answer to question 11 above is 'Yes'*			
	Measure(s)	Starting date		
		Estimated duration or end date of application of measure(s)		
		Part of the territory		
		Biogeographical region(s)		
		River basin sub-unit(s)		
		Marine sub-region(s)		
		Method(s) used	Mechanical/ Physical	#
