Commission Implementing Regulation (EU) 2017/757 of 28 April 2017 on the issue of licences for importing rice under the tariff quotas opened for the April 2017 subperiod by Implementing Regulation (EU) No 1273/2011

COMMISSION IMPLEMENTING REGULATION (EU) 2017/757

of 28 April 2017

on the issue of licences for importing rice under the tariff quotas opened for the April 2017 subperiod by Implementing Regulation (EU) No 1273/2011

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007[(1)], and in particular Article 188 thereof,

Whereas:

(1) Commission Implementing Regulation (EU) No 1273/2011[(2)] opened and provided for the administration of certain import tariff quotas for rice and broken rice, broken down by country of origin and split into several subperiods in accordance with Annex I to that Implementing Regulation.

(2) April is the second subperiod for the quota provided for under Article 1(1)(a) of Implementing Regulation (EU) No 1273/2011.

(3) The notifications sent in accordance with point (a) of Article 8 of Implementing Regulation (EU) No 1273/2011 show that, for the quota with order number 09.4130, the applications lodged in the first 10 working days of April 2017 under Article 4(1) of that Implementing Regulation cover a quantity greater than that available. The extent to which import licences may be issued should therefore be determined by fixing the allocation coefficient to be applied to the quantities requested under the quota concerned, calculated in accordance with Article 7(2) of Commission Regulation (EC) No 1301/2006[(3)].

(4) Those notifications also show that, for the quotas with order number 09.4127 — 09.4128 and 09.4129, the applications lodged in the first 10 working days of April 2017 under Article 4(1) of Implementing Regulation (EU) No 1273/2011 cover a quantity less than that available.

(5) The total quantity available for the following subperiod should also be fixed for the quotas with order number 09.4127 — 09.4128 — 09.4129 and 09.4130, in accordance with the first subparagraph of Article 5 of Implementing Regulation (EU) No 1273/2011.

Changes to legislation: *There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2017/757. (See end of Document for details)*

(6) In order to ensure sound management of the procedure of issuing import licences, this Regulation should enter into force immediately after its publication,

HAS ADOPTED THIS REGULATION:

Article 1

1 For import licence applications for rice under the quota with order number 09.4130 referred to in Implementing Regulation (EU) No 1273/2011 lodged in the first 10 working days of April 2017, licences shall be issued for the quantity requested, multiplied by the allocation coefficient set out in the Annex to this Regulation.

2 The total quantity available for the following subperiod under the quotas with order number 09.4127 — 09.4128 — 09.4129 and 09.4130 referred to in Implementing Regulation (EU) No 1273/2011 is set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 April 2017.

For the Commission,

On behalf of the President,

Jerzy PLEWA

Director-General

Directorate-General for Agriculture and Rural Development
