Mutual Funds Approved for PE Investment; CSRC Launches Filing Process

China Securities Regulatory Commission (CSRC) released the revised the Trial Measures for Fund Management Companies to Provide Asset Management Services for Specific Clients ("Measures") on September 26, which will take effect as of November 1, 2012. Article 9 of the Measures explicitly specifies that the funds under asset management plans can be invested in the "equities, bonds and other property rights not transferred through stock exchanges". Meanwhile, the Measures provide that the specific asset management plans invested in the equities, bonds and other property rights not transferred through stock exchanges are called special asset management plans. Fund management companies shall set up special subsidiaries, and carry out special asset management business by launching special asset management plans. This means the investment scope of mutual funds will extend from secondary markets to the equity investment field, and mutual funds can also establish corresponding management teams for equity investment.
