

**Cambodia Solid Waste and Plastic Management  
Improvement Project**

**Environmental and Social Management Framework  
(ESMF)**

February 2022

# TABLE OF CONTENTS

<b>Executive Summary</b> .....	<b>67</b>
Resettlement Policy Framework (RPF) .....	70
Indigenous Peoples Planning Framework (IPPF) .....	71
Labor Management Procedures (LMP) .....	71
Stakeholder Engagement activities and consultations for the ESMF .....	71
<b>1 Project Description</b> .....	<b>114</b>
1.1 Project Background .....	114
1.2 Project Description .....	115
1.3 Project Scope .....	116
1.4 Implementation Arrangements.....	118
1.4.1 Institutional and Implementation Arrangements.....	118
1.4.2 Results Monitoring and Evaluation Arrangements .....	120
1.4.3 Sustainability .....	120
1.5 The Goals and Scope of the ESMF .....	122
1.6 Current situation of solid waste management in Cambodia and target cities .....	123
<b>2 Environment and Social Background</b> .....	<b>131</b>
2.1 Environment Overview .....	131
2.1.1 Geographical Location.....	131
2.1.2 Climate and Meteorology.....	132
2.1.3 Topography .....	133
2.1.4 Geology .....	133
2.1.5 Hydrology and Water Conservancy .....	134
2.1.6 Ecological Environment Status .....	134
2.1.7 Soil.....	135
2.1.8 Soil Erosion .....	135
2.1.9 Land Resources .....	135
2.2 Current Status of Environmental Quality .....	136
2.2.1 Current Situation of Atmospheric Environmental Quality.....	136
2.2.2 Current Situation of the Surface Water Environmental Quality .....	137
2.2.3 Current Situation of the Groundwater Environmental Quality .....	139
2.2.4 Current Situation of the Acoustic Environmental Quality .....	139
2.3 Social Data .....	139
2.3.1 Socioeconomic Profile .....	139
2.3.2 Overview of the National Social Protection Strategy .....	153
2.3.3 Overview of Cultural Heritage Areas .....	154
2.3.4 Overview of Protected Areas .....	156
2.4 Overview of Health Indicators, and Incidence of Endemic Diseases and Epidemics .....	157
<b>3 Laws, Regulations, and Institutional Framework</b> .....	<b>161</b>
3.1 Relevant Domestic Environmental Laws, Regulations and Policies .....	161
3.2 Domestic Social Laws, Regulations, and Policies .....	167
3.2.1 EIA process .....	167
3.2.2 Labor and Working Conditions .....	170
3.2.3 Occupational Health and Safety (OHS) .....	172
3.2.4 Land Acquisition and House Demolition .....	174

3.2.5	Vulnerable Groups.....	175
3.2.6	Stakeholder Engagement and Public Consultation.....	177
3.3	Environmental Social Framework of the World Bank .....	178
3.4	Environmental, Health, and Safety Guidelines of the World Bank.....	184
3.5	Gap Analysis .....	185
<b>4</b>	<b>Analysis of existing situation, Environmental and Social Impacts and Risks and Mitigation</b>	
	<b>Measures .....</b>	<b>207</b>
4.1	Key Environmental and Social concerns at the existing dumpsites of possible participating municipalities .....	207
4.1.1	Technical Assistance (TA) Activities .....	208
4.1.2	Infrastructure and Equipment Investments Activities .....	209
4.2	Environmental and Social Risk/Impact Management .....	217
4.2.1	Risk/Impact Management .....	217
4.2.2	Site Suitability Assessments.....	221
4.2.3	Technical Assistance Activities.....	238
4.2.4	Civil Construction Activities.....	238
<b>5</b>	<b>Environmental and Social Risk Management Procedure.....</b>	<b>240</b>
5.1	Risk Screening and Classification of Sub-Projects.....	240
5.2	Preparation Of Subproject Environmental and Social Impact Assessment .....	242
5.3	Approval of Environmental and Social Documents.....	243
5.3.1	Review and Approval Procedures of Domestic Environmental Impact Assessment Documents .....	243
5.3.2	The World Bank's Review and Approval Procedures of Environmental Impact Assessment Documents .....	244
5.4	Procedures for Budgeting, Implementation, Supervision, and Reporting .....	245
5.5	Sub-Project's Completion and Assessment.....	245
<b>6</b>	<b>Implementation Arrangement and Strengthening of Institution and Training Plans.....</b>	<b>247</b>
	Implementation arrangement's roles and responsibilities .....	247
6.1	Capacity Assessment and needs .....	248
	<b>Annexes .....</b>	<b>251</b>
ANNEX A:	Environmental and Social (E&S) Screening of Subproject .....	251
ANNEX B:	Subproject's Environmental and Social (E&S) Risk Classification and E&S Management Tools .....	254
ANNEX C:	Landfill and Solid Waste Treatment Facility Site Screening & Selection Criteria .....	255
ANNEX D:	Generic Template for site specific ESIA Documents .....	258
ANNEX E:	Environmental, Health, and Safety Guidelines for the Waste Management Facilities .....	261
ANNEX F:	Labor Management Procedures (LMP) .....	264
ANNEX G:	Resettlement Policy Framework (RPF) and Livelihood Restoration Framework .....	264
ANNEX H:	Indigenous Peoples Planning Framework (IPPF) .....	264
ANNEX I:	Generic ESMP.....	264
ANNEX J:	Stakeholder Engagement Activities, Minutes of Public Consultations, Summary of Main Take-aways and Attendance Sheets .....	270

## LIST OF TABLES

Table 1: Gap Analysis of Existing World Bank and Cambodia Policies .....	75
Table 2: Advantages, Disadvantages, and Preliminary Assessment of Option 1: Rehabilitation of the Existing Dumpsite .....	99
Table 3: Advantages, Disadvantages, and Preliminary Assessment of Option 2: Closure of existing site and development of new landfill Site in Trapeang Tim Village .....	101
Table 4: Advantages, Disadvantages, and Preliminary Assessment of Option 1: Rehabilitation of the Existing Dumpsite in Sampov Village, Kampong Speu.....	102
Table 5: Advantages, Disadvantages, and Preliminary Conclusions of Option 1: Rehabilitation of the Existing Dumpsite in Kandal .....	104
Table 2.3-1: Total Population by Sex (2019).....	140
Table 2.3-2: Total Population, Growth Rate and Population Density of Siem Reap, Kampong Speu and Kandal .....	140
Table 2.3-3: Population by Mother Tongue (2013).....	141
Table 2.3-4: Ethnic Minorities/Indigenous People (2010).....	142
Table 2.3-5: Persons with Disability in Kampong Speu, Kandal and Siem Reap by Sex (2019).....	143
Table 2.3-6: Persons with Disability in Kampong Speu, Kandal and Siem Reap by Type and Level (2019) .....	143
Table 2.3-7: Number and Percentage of Poor Households .....	146
