Environment Protection and Biodiversity Conservation Act 1999

**APPROVED WILDLIFE TRADE MANAGEMENT PLAN (NSW CUT FLOWERS)
DECLARATION 2017**

I, Ilse Kiessling, Acting Assistant Secretary, Wildlife Trade and Biosecurity Branch, as delegate of the Minister for the Environment and Energy under the *Environment Protection and Biodiversity Conservation Act 1999* (the Act), declare under subsection 303FO(2) of the Act, that the *Cut-flower Sustainable Management Plan 2018-2022. Protected and threatened plants in the cut-flower industry* (prepared by the New South Wales Office of Environment and Heritage) is an Approved Wildlife Trade Management Plan for the purposes of section 303FO of the Act.

This declaration has effect subject to the following conditions applied under section 303FT of the Act:

1. Harvesting of cut flowers, foliage and other plant parts for the cut flower industry in New South Wales is to be done in accordance with the *Cut-flower Sustainable Management Plan 2018-2022. Protected and threatened plants in the cut-flower industry*.
2. The approval excludes wild harvested specimens of species listed as threatened under the Act.
3. Monitoring and harvest data is to be kept by the Office of Environment and Heritage and supplied to the Department of Environment and Energy on request. Data requested may include details of:
 - The number of licences issued.
 - Harvest data: species, plant part harvested, quantity, source of plant (wild, cultivated or artificially propagated), land tenure.
 - Enforcement activities, including statistics showing the number and type of offences detected, and action taken.
4. This declaration applies from the 1 January 2018 until 31 December 2022 or until the plan is replaced by another approved Wildlife Trade Management Plan, whichever is sooner.

Dated this 20 day of December 2017
