

2019-2020-2021-2022

The Parliament of the
Commonwealth of Australia

HOUSE OF REPRESENTATIVES

Presented and read a first time

Agriculture Biodiversity Stewardship Market Bill 2022

No. , 2022

(Agriculture, Water and the Environment)

**A Bill for an Act to establish a national voluntary
framework for projects to enhance or protect
biodiversity, and for other purposes**

Contents

Part 1—Preliminary	1
1 Short title	1
2 Commencement	2
3 Objects of this Act	2
4 Simplified outline of this Act	2
5 Crown to be bound	4
6 Extension to external Territories	4
7 Definitions	4
8 Meaning of <i>eligible land</i>	14
9 Vacancy in the office of an Agriculture Biodiversity Stewardship Market Advisory Committee member	14
10 Electronic notice transmitted to the Regulator	14
Part 2—Registered biodiversity projects	16
Division 1—Introduction	16
11 Simplified outline of this Part	16
Division 2—Registration of biodiversity project	17
12 Application for approval of registration of biodiversity project	17
13 Form of application	17
14 Further information	18
15 Withdrawal of application	18
16 Approval of registration of biodiversity project	19
17 Suspension of processing of applications for registrations of biodiversity projects	21
18 Registration may be subject to condition about obtaining regulatory approvals	23
19 Registration may be subject to condition about obtaining consents from eligible interest holders	23
Division 3—Variation of registration	25
20 Voluntary variation of registration of biodiversity project— change in identity of project proponent	25
21 Voluntary variation of registration of biodiversity project— changes in project area etc.	26
22 Voluntary variation of conditional registration of biodiversity project—condition of registration has been met	27
23 Procedures for voluntary variation of registration of biodiversity project	27
Division 4—Cancellation of registration of biodiversity project	30

Subdivision A—Voluntary cancellation of registration of biodiversity project	30
24 Voluntary cancellation of registration of biodiversity project—certificate in effect	30
25 Voluntary cancellation of registration of biodiversity project—no certificate in effect	31
26 Procedures for voluntary cancellation of registration of biodiversity project.....	31
Subdivision B—Unilateral cancellation of registration of biodiversity project	33
27 Unilateral cancellation of registration of biodiversity project—condition of registration has not been met	33
28 Unilateral cancellation of registration of biodiversity project—project not commenced, or unlikely to result in issuing of biodiversity certificate.....	34
29 Unilateral cancellation of registration of biodiversity project—eligibility requirements not met etc.	34
30 Unilateral cancellation of registration of biodiversity project—project proponent ceases to pass the fit and proper person test.....	35
31 Unilateral cancellation of registration of biodiversity project—project proponent ceases to exist etc.....	35
32 Unilateral cancellation of registration of biodiversity project—false or misleading information	36
33 Notice of unilateral cancellation of registration of biodiversity project.....	37
Division 5—Excluded biodiversity projects	38
34 Excluded biodiversity projects	38
Part 3—Multiple project proponents	39
Division 1—Introduction	39
35 Simplified outline of this Part.....	39
Division 2—References to project proponents	40
36 References to project proponents.....	40
Division 3—Nominee of multiple project proponents	41
37 Nomination of nominee by multiple project proponents—nomination accompanying application	41
38 Nomination of nominee by multiple project proponents—other nominations	42
39 Revocation and cessation of nomination	42
40 Service of documents on nominee	43
41 Eligible voluntary action taken by nominee	43

42	Unilateral cancellation of registration of biodiversity project—failure of multiple project proponents to nominate a nominee	44
Division 4—Obligations of multiple project proponents		46
43	Obligations of multiple project proponents	46
Part 4—Protocol determinations		47
Division 1—Introduction		47
44	Simplified outline of this Part	47
Division 2—Protocol determinations		48
Subdivision A—Making of protocol determinations		48
45	Protocol determinations	48
46	Civil penalties—requirements in protocol determination	50
47	Procedure for making a protocol determination	50
Subdivision B—Variation of protocol determinations		52
48	Variation of protocol determinations	52
49	When variation takes effect	53
Subdivision C—Duration, expiry and revocation of protocol determinations		55
50	Duration of protocol determinations	55
51	Revocation of protocol determinations	56
52	Effect of protocol determination ceasing to have effect—existing registered biodiversity projects	56
53	Effect of protocol determination ceasing to have effect—applications for registration	57
Subdivision D—Advice about making, varying or revoking protocol determinations		58
54	Advice by the Agriculture Biodiversity Stewardship Market Advisory Committee	58
55	Additional matters for the Agriculture Biodiversity Stewardship Market Advisory Committee to take into account	59
Subdivision E—Consultation by the Agriculture Biodiversity Stewardship Market Advisory Committee		60
56	Consultation by the Agriculture Biodiversity Stewardship Market Advisory Committee	60
Division 3—Biodiversity integrity standards		62
57	Biodiversity integrity standards	62
Part 5—Biodiversity certificates		63
