Some public notifications on the Internet and in the Gazette relating to the processing of referrals for approval under Chapter 4 of the *Environment Protection and Biodiversity Conservation Act 1999* may occasionally be missed in processing by the Department of the Environment or may not meet timeframes for notification. The Department of the Environment has implemented systems and ongoing quality assurance procedures to minimise any risk of missing a notification within the required timeframe. Where a missed notification is identified the practice will be to notify these even though the timeframe for notification has lapsed. This will ensure that the history of notifications for each referral is available to the public. The Department of the Environment regrets any inconvenience that may be caused by a missed notification. Please note that late notifications have not affected subsequent processing of referrals or assessments and they do not affect decisions made.
