Ordinance to override other laws

3. The provisions of this Ordinance shall have effect notwithstanding anything to the contrary contained in any other law or in any contract for the time being in force.

Imposition of water rate

4. ³[(1) Whenever the Government is of opinion that lands within any area are benefitted or are likely to be benefitted by water supplied or regulated by the Government or by the Board or by the Corporation through any canal during any financial year, the Government may, by notification, declare its intention to impose in such area, hereinafter referred to as the notified area, a water rate for such financial year.]

(2) On the publication of a notification under sub-section (1), any person interested in any land likely to be affected by the imposition of the water rate referred to in the notification may, within a period of one month from the date of publication of the notification, prefer objections to the Government to the inclusion of such land in the area in respect of which the declaration has been made under sub-section (1).

(3) On the expiry of the period referred to in sub-section (2) for preferring objections, the Government may, after considering the objections, if any, received within such period, by notification,-

(a) withdraw the declaration intending to impose a water rate, or

⁴[(b) declare that a water rate in the area in respect of which the declaration under sub-section (1) was made or any part thereof shall be imposed.]

Determination of water rate etc.

⁵[5. (1) The water rate to be imposed in a notified area shall be determined by such authority and in such manner as may be prescribed:

Provided that the water rate so determined may vary from one notified area to another notified area and from one year to another year.

(2) Notwithstanding anything to the contrary contained in section 4, a water rate determined for a financial year shall remain in force and be payable for subsequent financial years unless the notification published under that section is rescinded or the rate is varied under sub-section (1).

(3) Notwithstanding anything to the contrary contained in any other law for the time being in force or in any custom, usage or contract, a water rate determined under sub-section (1) shall be payable in respect of all agricultural lands in the notified area.]

Remission

⁶[6. If, for any reason, there is, in any financial year, a total or partial failure of crops in any land in the notified area, the Government may grant total or partial remission of the water rate in respect of such lands.]

Assessment and collection of water rate

⁷[7. The water rate payable under section 5 shall be assessed and collected in such manner as may be prescribed.]

Free Passage of water for irrigation or drainage

8. (1) For the purpose of irrigation or drainage of lands in the notified area, the owners or occupiers of such lands shall be bound to afford free passage for water through or over all lands in their possession and for that purpose, to allow, when so required by the Deputy Commissioner, by an

order in writing, construction and maintenance of such channels as may be necessary:

Provided that the capacity of such channels shall not exceed in any case two cusecs of flow.

(2) If any person refuses to comply with an order under sub section (1), the Deputy Commissioner may cause the channel to be constructed or maintained and may impose a penalty which may extend to five times the water rate assessed on such land.

(3) Notwithstanding anything contained in any other law for the time being in force, no person shall be entitled to claim any compensation for any damage or loss which may be caused as a result of construction or maintenance of any channel under sub section (1) or sub section (2):

Provided that he shall be entitled to remission of water rate in respect of that portion of land which is affected by such construction or maintenance of channels.

(4) Any person aggrieved by an order imposing a penalty on him under this section may within thirty days from the date of receipt of the order, appeal to such appellate authority as may be prescribed, and the decision of the appellate authority in such appeal shall be final.

Penalty for diversion of normal flow of water by obstruction, etc.

9. (1) If, without any written permission of the Deputy Commissioner, any obstruction is put in any channel referred to in section 8 or other canal or any cut is made on the bank thereof as a result of which the normal flow of water through

(a) take such measures as he may consider necessary to remove such obstruction or to close such cut;

(b) impose a penalty, which may extend to ten time the water rate assessed for the ⁸[financial year] during which the obstruction is put or the cut is made, on the persons who are the owners or occupiers of lands irrigated by, or filled up with, water so diverted, after giving them an opportunity of showing cause against the imposition of such penalty:
