

# [ PRESIDENTIAL DECREE NO. 1424, June 09, 1978 ]

## **FURTHER AMENDING REPUBLIC ACT NO. 1245, AS AMENDED BY REPUBLIC ACT NO. 2251, OTHERWISE KNOWN AS THE HOSPITAL RESIDENCY LAW**

**WHEREAS**, Republic Act No. 1243, approved on June 10, 1955, as amended by Republic Act No. 2251 dated June 18, 1959, which has been enforced for the last twenty-two (22) years, has been found to be unresponsive to the needs and demands of the government service as envisioned by the New Society;

**WHEREAS**, the said law did not provide for the utilization of graduates of the Residency Program in the government service where they are most needed thus resulting in brain drain of medical manpower; and

**WHEREAS**, with the progress of medical science, it is felt that other disciplines should be included in the training programs;

**NOW, THEREFORE, I, FERDINAND E. MARCOS**, President of the Philippines, by virtue of the powers vested in me by the Constitution do hereby order and decree the following amendments to Republic Act No. 1243, as amended by Republic Act No. 2251, otherwise known as the Hospital Residency Law:

**SECTION 1.** All appointees to vacancies in the different teaching or training hospitals under the Department of Health and the Department of National Defense in the various disciplines shall be known as Resident Trainees.

**SEC. 2.** All physicians undergoing training in the teaching and training hospitals under the Department of Health and the Department of National Defense shall not be covered by the provisions of Republic Act 5901 (40-Hours a Week Law).

**SEC. 3.** The training programs shall embrace the following disciplines:

- |   |             |
|---|-------------|
