### **AN ACT RENEWING FOR ANOTHER TWENTY FIVE (25) YEARS THE FRANCHISE GRANTED TO MINDANAO ISLAMIC TELEPHONE COMPANY, INC., PRESENTLY KNOWN AS DITO TELECOMMUNITY CORPORATION, UNDER REPUBLIC ACT NO. 8627, ENTITLED "AN ACT GRANTING THE MINDANAO ISLAMIC TELEPHONE COMPANY, INC., A FRANCHISE TO CONSTRUCT, ESTABLISH, INSTALL, MAINTAIN AND OPERATE WIRE AND/OR WIRELESS TELECOMMUNICATIONS SYSTEMS IN THE PHILIPPINES"**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. *Nature and Scope of Franchise.* - Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to Mindanao Islamic Telephone Company, Inc., now known as Dito Telecommunity Corporation, granted under Republic Act No. 8627 and hereunder referred to as the grantee, its successors or assignees, the right, privilege and authority to carry on the business of providing telecommunications services in and between provinces, cities and municipalities in the Philippines and between the Philippines and other countries and territories and, for this purpose, to establish, operate, manage, lease, maintain and purchase telecommunications systems, and other telecommunications systems, fiber optics, satellite transmission and reception systems, and other telecommunications systems and their value-added services such as transmission of voice, data, facsimile, control signs, audio and video, and all other telecommunications systems technologies as are at present available or will be made available through technical advances or innovations in the future, or construct, acquire, lease, and operate or manage transmitting and receiving stations and switching stations, both for local and international services, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise, is hereby renewed for another twenty-five (25) years from the effectivity of this Act.

In this Act, the term "telecommunications" shall include electronic telecommunications, In addition, the following terms shall have the meaning set forth herein:

"Electronic communications network" shall mean (a) a transmission system for conveyance by means of electrical, magnetic, or electromagnetic energy, of signals of any description; and (b) any of the following as are used by the persons providing the system and in association with it, for conveyance of the signals: (1) apparatus comprised in the system; (ii) apparatus used for the switching and routing of the systems; and (iii) software and stored data.

"Electronic communications service" shall mean a service consisting in or having as its principal feature the conveyance by means of electronic communications network of signals. It includes wired, wireless, fixed, cellular, and/or mobile, or integrated telecommunications/computer/electronic services, including value-added services, or technologies related to such service, which are present available or made available through technological advances or innovations in the future, and fixed and mobile stations.

SEC. 2. *Manner of Operation of Stations or Facilities.* — The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own privilege to use its assigned wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services and/or the availability thereof.

SEC. 3. *Authority of the National Telecommunications . Commission.* — The grantee shall secure from the National Telecommunications Commission (NTC) a Certificate of Public Convenience and Necessity or the appropriate permits and licenses for the construction, installation, and operation of its telecommunications systems/facilities. In issuing the certificate, the NTC shall have the power to impose such conditions relative to the construction, operation, maintenance, or service level of the telecommunications systems. The NTC shall also have the authority to regulate the construction and operation of the grantee's telecommunications systems. The grantee shall not use any frequency in the radio spectrum without authorization from the NTC. Such certificate shall state the areas covered and the date the grantee shall commence the service. The NTC, however, shall not unreasonably withhold or delay the grant of such authority, permit, or license.

In case of any violation of the provisions of this franchise, the NTC shall have the authority to revoke or suspend, after due process, the permits or licenses it issued pursuant to the franchise. The assignment of frequencies to the franchise shall be subject to review at regular intervals. The NTC shall have the authority to reallocate redundant frequencies held by the franchise. The NTC may recommend to Congress the revocation of the franchise for any violation of the provisions of this franchise.

SEC. 4. *Excavation and Restoration Works.* - For the purpose of erecting and maintaining poles or other supports for said wires or other conductors for the purpose of laying and maintaining underground wires, cables, or other conductors, it shall be lawful for the grantee, its successors or assignees, with the prior approval of the Department of Public Works and Highways (DPWH) or the local government unit (LGU) concerned, as may be appropriate, to make excavations or lay conduits in any of the public places, roads, highways, streets, lanes, alleys, avenues, sidewalks, or bridges of the province, cities and/or municipalities: *Provided, however,* That a public place, road, highway, street, lane, alley, avenue, sidewalk, or bridge disturbed, altered or changed by reason of erection of poles or other supports or the underground laying of wires, other conductors or conduits shall be repaired and replaced in workmanlike manner by said grantee, its successors or assignees, in accordance with the standards set by the DPWH or the LGU concerned. Should the grantee, its successors or assignees, after the ten (10)-day notice from the said authority, fail, refuse, or neglect to repair or replace any part of public place, road, highway, street, lane, alley, avenue, sidewalk, or bridge disturbed, altered or

changed by the said grantee, its successors or assignees, then the DPWH or the LGU concerned shall have the right to have the same repaired and placed in good order and condition, and charge the grantee, its successors or assignees at double the amount of the costs and expenses for such repair or replacement.

SEC. 5. *Responsibility to the Public.* — The grantee shall conform to the ethics of honest enterprise and not use its stations/facilities for obscene or indecent transmission, or for dissemination of deliberately false information, or willful misrepresentation, or assist in subversive or treasonable acts.

The grantee shall operate and maintain all its stations, lines, cables systems, and equipment for the transmission and reception of messages, signals, and pulses in a satisfactory manner at all times, and as far as economical and practicable, modify, improve, or change such stations, lines, cables, systems, and equipment to keep abreast with the advances in science and technology.

The grantee shall improve and extend its services in areas not yet served, and in hazard and typhoon-prone areas that shall be determined by the National Disaster Risk Reduction and Management Council, or its legal successor, in coordination with the NTC.

The grantee shall also improve and upgrade its equipment, facilities and services, in order to ensure effective compliance with the objectives of Republic Act No. 10639 or "The Free Mobile Disaster Alerts Act."

SEC. 6. *Rates for Services.* — The charges and rates for telecommunications services of the grantee, except the rates and charges on those that may hereafter be declared or considered as nonregulated services, whether flat rates or measured rates or variation thereof, shall be subject to the approval of the NTC or its legal successor.

SEC. 7. *Right of the Government.* - The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the Senate and may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order: to temporarily take over and operate the facilities or equipment of the grantee; to temporarily suspend the operation of any facility or equipment in the interest of public safety, security and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of said facilities or equipment during the period when these shall be so operated.

SEC. 8. *Term of Franchise.* - This franchise shall be extended and in effect for a period of twenty-five (25) years from its expiration on April 24, 2023, unless sooner revoked or cancelled. This franchise shall be deemed *ipso facto* in the event the grantee fails to operate continuously for two (2) years.

SEC. 9. *Renewal of Extension of Franchise.* - The grantee shall apply for the renewal or extension of its franchise three (3) years before its expiration which shall be

reckoned from fifteen (15) days after its publication of the franchise in the *Official gazette* or in a newspaper of general circulation.

SEC. 10. *Right of Interconnection.* - The grantee is hereby authorized to connect or demand connection of its telecommunications systems to other telecommunications systems installed, operated, and maintained by any other duly authorized person or entity in the Philippines for the purpose of providing extended and improved telecommunications services to the public, under such terms and conditions mutually agreed upon by the parties concerned. This shall be subject to the review and modification of the NTC.

SEC. 11. *Mobile Number Portability.* - The grantee shall provide mobile number portability (MNP) and its implementing mechanism, including the required infrastructure and processes, and shall interconnect, directly or indirectly, with the infrastructure, facilities, systems, or equipment of other telecommunications franchise grantees. It shall not install network features, functions, or capabilities that will impede the implementation of a nationwide MNP system.

SEC. 12. *Warranty in Favor of the National and Local Governments.* — The grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, liabilities, accounts, demands, or actions arising out of accidents causing injury to persons or damage to properties, during the construction or operation of the stations, transmitters, facilities, or equipment of the grantee.

SEC. 13. *Sale, Lease, Transfer, Usufruct, or Assignment of Franchise.* — The grantee shall not sell, lease, transfer, grant the usufruct of, nor assign this franchise or the rights and privileges acquired thereunder to any person, firm, company, corporation or other commercial or legal entity, nor merge with any other corporation or entity, nor shall transfer the controlling interest of the grantee, simultaneously or contemporaneously, to any such person, firm, company, corporation, or entity without the prior approval of the Congress of the Philippines. Congress shall be informed of any sale, lease, transfer, grant of usufruct, or assignment of franchise or the rights and privileges acquired thereunder, or of the merger or transfer of the controlling interest of the grantee, within sixty (60) days after the completion of the said transaction. Failure to report to Congress such change of ownership shall render the franchise *ipso facto* revoked. Any person or entity to which this franchise is sold, transferred or assigned shall be subject to the same conditions, terms, restrictions, and limitations of this Act.

SEC. 14. *Dispersal of Ownership.* - In accordance with the constitutional provision to encourage public participation in public utilities, the grantee shall offer to Filipino citizens at least thirty percent (30%) or a higher percentage that may hereafter be provided by law of its outstanding capital stock in any securities exchange in the Philippines within five (5) years from the commencement of its operations: *Provided*, That in cases where public offer of shares is not applicable, establishment of cooperatives operating public utilities must be implemented. Noncompliance therewith shall render the franchise *ipso facto* revoked.

SEC. 15. *Business Development and/or Expansion Plan.* - Except where prevented by *force majeure*, the grantee shall be obliged to carry out its business development and/or expansion plan which shall contain, among others, the phases of business
