

[REPUBLIC ACT NO. 10180, September 21, 2012]

**AN ACT GRANTING THE NUEVA VIZCAYA STATE UNIVERSITY A
FRANCHISE TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE
AND MAINTAIN RADIO AND TELEVISION BROADCASTING
STATIONS IN REGION II**

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. *Nature and Scope of Franchise.* – Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to the Nueva Vizcaya State University, hereunder referred to as the grantee, its successors or assigns, a franchise to construct, install, establish, operate and maintain for commercial purposes and in the public interest, radio and/or television broadcasting stations in Region II where frequencies and/or channels are still available for radio and/or television broadcasting, including digital radio and television system, internet protocol-related services and internet protocol-value-added services, through microwave, satellite, or whatever means, including the use of any new technology that may hereafter or in the future be developed in the field of radio and television broadcasting, with the corresponding technological auxiliaries and facilities, special broadcast and other program and distribution services and relay stations.

SEC. 2. *Manner of Operation of Stations or Facilities.* – The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own right to use its selected wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services and/or availability thereof. In no way shall the operator of the grantee nor the radiated power of its stations or facilities exceed that required to cover the area where it is allowed to operate.

SEC. 3. *Prior Approval of the National Telecommunications Commission (NTC).* – The grantee shall secure from the NTC the appropriate permits and licenses for the construction and operation of its stations and facilities and shall not use any frequency in the radio and television spectrum without having been authorized by the Commission. The Commission, however, shall not unreasonably withhold or delay the grant of any such authority.

SEC. 4. *Responsibility to the Public.* – The grantee shall provide adequate public service time to enable the government, through the said broadcasting stations or facilities, to reach the population on important public issues: provide at all times sound and balanced programming; assist in the functions of public information and education; conform to the ethics of honest enterprise; and not use its stations and

facilities for the broadcasting of obscene and indecent language, speech, act or scene; or for the dissemination of deliberately false information or willful misrepresentation, to the detriment of the public interest, or to incite, encourage or assist in subversive or treasonable acts.

SEC. 5. *Right of Government.* – A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster or disturbance of peace and order, to temporarily take over and operate the stations or facilities of the grantee, to temporarily suspend the operation of any station or facility in the interest of public safety, security and public welfare, or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the grantee, for the use of said stations or facilities during the period when they shall be so operated.

The radio spectrum is a finite resource that is part of the national patrimony and the use thereof is a privilege conferred upon the grantee by the State and may be withdrawn anytime after due process.

SEC. 6. *Term of Franchise.* – This franchise shall be for a term of twenty-five (25) years from the date of effectivity of this Act, unless sooner revoked or cancelled. This franchise shall be deemed *ipso facto* revoked in the event the grantee fails to comply with any of the following conditions:

(a) Commence operations within one (1) year from the approval of its operating permit by the NTC;

(b) Operate continuously for two (2) years; and

(c) Commence operations within three (3) years from the effectivity of this Act.

SEC. 7. *Acceptance and Compliance.* – Acceptance of this franchise shall be given in writing within sixty (60) days from the effectivity of this Act. Upon giving such acceptance, the grantee shall exercise the privileges granted under this Act. Nonacceptance shall render the franchise void.

SEC. 8. *Bond.* – The grantee shall file a bond issued in favor of the NTC which shall determine the amount, to guarantee the compliance with and fulfillment of the conditions under which this franchise is granted. If, after three (3) years from the date of the approval of its permit by the Commission, the grantee shall have fulfilled the same, the bond shall be cancelled by the Commission. Otherwise, the bond shall be forfeited in favor of the government and the franchise *ipso facto* revoked.

SEC. 9. *Self-regulation by and Undertaking of the Grantee.* – The grantee shall not require any previous censorship of any speech, play, act or scene, or other matter to be broadcast from its stations: *Provided*, That the grantee, during any broadcast, shall cut off from the air the speech, play, act or scene, or other matter being broadcast if the tendency thereof is to propose and/or incite treason, rebellion or sedition; or the language used therein or the theme thereof is indecent or immoral; and willful failure to do so shall constitute a valid cause for the cancellation of this franchise.

SEC. 10. *Obligation of the Grantee.* – Any person aggrieved by any remark, report, statement, commentary or the like by a broadcaster using the same facilities of the grantee shall have the right to reply in the same program or any other program the aggrieved party may choose.
