TO-POINT, LAND BASED AND LAND MOBILE RADIO STATIONS
FOR THE RECEPTION AND TRANSMISSION OF RADIO
COMMUNICATIONS WITHIN THE PHILIPPINES.**

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. There is hereby granted to Pablo R. Halili a temporary permit to construct, maintain and operate in such places in the Philippines as he may select, subject to the approval of the Secretary of Public Works and Communications, private fixed point-to-point, land based and land mobile radio stations for the reception and transmission of wireless messages on radiotelegraph or radiotelephone, each station to be provided with a radio transmitting apparatus and radio receiving apparatus.

SEC. 2. This temporary permit shall continue in force during the time that the Government has not established a similar service in places selected by the grantee, but not exceeding twenty-five years and is granted upon the express condition that the same shall be void unless the construction or installation of said stations be begun within one year from the date of approval of this Act and completed within two years from said date.

SEC. 3. The grantee shall not engage in domestic business of telecommunications in the Philippines without further special assent of the Congress of the Philippines, it being understood that the purpose of this temporary permit is to secure to the grantee the right to construct, maintain and operate private fixed point-to-point, land based and land mobile radio stations in such places within the Philippines as the interest of the grantee may justify.

SEC. 4. No fees shall be charged by the grantee as the radio stations that may be established by virtue of this Act shall engage in communications regarding the grantee's business only.

SEC. 5. The grantee, his successors or assigns, shall so construct and operate his radio stations as not to interfere with the operation of other radio stations maintained and operated in the Philippines.

SEC. 6. The grantee, his successors or assigns, shall hold the national, provincial, city and municipal governments of the Philippines harmless from all claims, accounts, demands, or actions arising out of accidents or injuries, whether to property or to persons, caused by the construction or operation of his radio stations.
