

**[ REPUBLIC ACT NO. 3683, June 22, 1963 ]**

**AN ACT GRANTING THE MANILA JOCKEY CLUB, INC., A  
TEMPORARY PERMIT TO ESTABLISH, MAINTAIN AND OPERATE  
PRIVATE FIXED POINT-TO-POINT AND PRIVATE COASTAL  
RADIO TELEPHONE STATIONS FOR THE TRANSMISSION AND  
RECEPTION OF WIRELESS MESSAGES TO AND FROM SAID  
STATIONS.**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. There is hereby granted to the Manila Jockey Club, Inc., its successors or assigns, a temporary permit to establish, maintain and operate private fixed point-to-point and private coastal radio telephone stations in those provinces, and cities where, in accordance with the provisions of law, a duly licensed racing club is authorized to offer, take or arrange bets outside the place, enclosure or track where horse races are being held, for the transmission and reception of wireless messages to and from said stations.

SEC. 2. The President of the Philippines shall have the power and authority to permit the location of said private fixed point-to-point and private coastal radio telephone stations or any of them on lands of the public domain upon such terms as he may prescribe.

SEC. 3. The grantee, its successors or assigns, shall not engage in domestic business of telecommunication in the Philippines without further special assent of the Congress of the Philippines, it being understood that the purpose of this temporary permit is to secure to the grantee the right to construct, maintain and operate private fixed point-to-point and private coastal radio telephone stations in such places within the Philippines where the law allows a person or entity to accept bets on races being held in the Manila Jockey Club Hippodrome.

SEC. 4. This temporary permit shall not take effect until the Secretary of Public Works and Communications shall have allotted to the grantee the frequencies and wave lengths to be used thereunder, but the grantee, its successors or assigns may use the international distress frequency of five hundred kilocycles and the high distress frequency of eight thousand two hundred eighty kilocycles whenever necessary.

SEC. 5. No fees shall be charged by the grantee, as the radio stations that may be established by virtue of this Act shall engage in communications regarding the grantee's business only.
