

[EXECUTIVE ORDER NO. 233, May 15, 1970]

CREATING THE COMMISSION ON POPULATION

WHEREAS, it is generally accepted that “the population problem must be recognized as a principal element in long-range national planning if governments are to achieve their economic goals and fulfill the aspirations of their people”;

WHEREAS, a high growth rate of population can potentially benefit as well as adversely affect economic growth;

WHEREAS, it has been a long-felt need to ascertain the influence of rapidly increasing population on the capacity of the economy to provide the minimum of public services to the people; and

WHEREAS, it has been recognized that continuing study on this problem is necessary to provide policy-makers with adequate information for the formulation and implementation of policies and programs on population as it affects economic and social development;

NOW, THEREFORE, I, FERDINAND E. MARCOS, President of the Philippines, by virtue of the powers vested in me by law, do hereby create a Commission on Population with the following functions and duties:

1. Formulate program recommendation on population as it relates to economic and social development consistent with and implementing the population policy approved by this Office on 4 December 1969;
2. Coordinate and evaluate the implementation of approved program recommendations and project proposals;
3. Undertake such action projects as are necessary;
4. Undertake, promote, and public studies and investigations on the Philippine population in all its aspects;
5. Assemble and disseminate technical and scientific information relating to medical, social, economic and cultural phenomena as these affect or are affected by population;
6. Perform such other duties as proper authorities may from time to time direct the Commission to undertake.

The Commission on Population shall be composed of:

1. Secretary of Education

2. Secretary of Health
3. Secretary of Social Welfare
4. Chairman of the National Economic Council
5. Presidential Assistant on Community Development
