

**[ EXECUTIVE ORDER NO. 341, August 09, 1950 ]**

**ESTABLISHING RULES AND REGULATIONS FOR THE  
QUALIFICATION OF INDUSTRIES FOR TAX EXEMPTION UNDER  
REPUBLIC ACT NO. 35**

Pursuant to the provisions of section 79(b) of the Revised Administrative Code and section 2 of Republic Act No. 35, the following rules and regulations for the qualification of industries seeking exemption from the payment of all internal revenue taxes under section 1 of Republic Act No. 35, are hereby promulgated for the information and guidance of all concerned:

1. *What may be considered "new" industry.*—A "new" industry as used in Republic Act No. 35 shall be construed to mean the manufacture, processing or transformation of raw materials, either in form, utility or substance, by any industrial unit the production or manufacture of which has not been undertaken on a commercial scale in the Philippines subsequent to July 4, 1946. For purposes of this definition:

- (1) An "industrial unit" is deemed to be any plant, factory, machine or machine assembly having a capacity for performing the major functions involved in the production of a manufactured product on a commercial scale.

- (2) By production on a "commercial scale" is meant the production for sale in the market in the normal course of business, in quantities and at prices which justify the operation of an industrial unit as a going concern and with a reasonable degree of permanency.

2. *What may be considered "necessary" industry.*—The word "necessary" as used in Republic Act No. 35 shall be construed to mean an industry which is conducive to sound economic development and which promotes employment and raises the standard of living of the people. In determining whether an enterprise is "necessary" or not the Secretary of Economic Coordination shall take into account the number of such similar enterprises already in existence and their collective productive capacity relative to the size of the domestic and/or export demand for their product.

3. *When exemption shall begin.*—The benefits of four years exemption of "new and necessary" industries from the payment of all internal revenue taxes shall begin from the date of the application when approved by the Secretary of Finance but not later than the month

during which such industry entered into the production stage.

4. *Who will determine.*—All applications for exemption from the payment of all internal revenue taxes under the provisions of Republic Act No. 35 shall be filed with the Secretary of Finance. The opinion of the Secretary of Economic Coordination shall be obtained on whether the industry complies with the requirements of Republic Act No. 35. For this purpose he shall avail himself of the facilities in the Department of Commerce and Industry, the Central Bank, the National Economic Council, and other agencies of the Government in determining from time to time whether a sufficient number of individual industries has been granted exemption in any one particular class or type of industry and whether any further grant of exemption would be in the interest of sound industrial policy. The Secretary of Finance shall base his certification on said findings.
5. *Who may apply for exemption.*—Any person, partnership, company or corporation who or which shall engage in a new and necessary industry and operating in the Philippines, may apply for exemption from the payment of all internal revenue taxes for a period of four (4) years from the date of the organization of such industry.
6. *What must be stated in the application.*—The application shall contain the following statements:
