**ADOPTING MEASURES TO INSURE PEACE AND ORDER AND FREE ELECTIONS IN THE PROVINCE AND CITY OF CAVITE.**

**WHEREAS**, the present conditions of public peace and order in the province and City of Cavite, brought about by the forthcoming elections, have made it necessary to adopt certain measures to insure peace and order and free expression of popular will in said City and province.

**NOW, THEREFORE I, Manuel Roxas**, President of the Philippines, by virtue of the powers vested in me by law, hereby order that:

(1) The Municipal Mayor of Maragondon, who is a candidate for election for the same position, and directly involved in the recent incidents in the municipality of Maragondon, is hereby ordered temporarily relieved and directed to turn over his office immediately to the vice-mayor.

(2) The municipal police forces of the municipalities of Maragondon and Bailen are hereby placed, pursuant to the provisions of section 836 of the Revised Administrative Code, under the Military Police Command, which is hereby instructed that on election day, November 11, 1947, the police forces of the municipalities herein mentioned shall act only under the order of the officer in charge of the Military Police Command. The officer in charge of the Military Police Command is hereby directed to place in every precinct in the municipalities of Maragondon and Bailen at least two MPC soldiers for the purpose of maintaining order in the precincts and to insure a clean election in said municipalities.
