

[**OP Executive Order No. 182, May 29, 2015**]

PROVIDING FOR A COMPREHENSIVE AUTOMOTIVE RESURGENCE STRATEGY PROGRAM

*Adopted: 29 May 2015
Date Filed: 04 June 2015*

WHEREAS, Articles II and XII of the 1987 Constitution of the Philippines recognize the indispensable role of the private sector in encouraging private enterprise, providing incentives to needed investments, and promoting industrialization and full employment;

WHEREAS, Articles 2 and 7 of Executive Order (EO) No. 226 (s. 1987) or the "Omnibus Investments Code of 1987," as amended, declare that the State shall encourage private Filipino and foreign investments in industry which shall provide significant employment opportunities, provide a foundation for the future development of the economy, and meet the tests of international competitiveness and empower the Board of Investments (BOI) to formulate and implement rationalization programs for certain industries to address impediments to economic growth, and formulate guidelines for progressive manufacturing programs;

WHEREAS, EO Nos. 156 (s. 2002) and 887-A (s. 2010) provide for a comprehensive industrial policy and directions for the Motor Vehicle Development Program to accelerate the sound development of the Philippine Motor Vehicle Industry, recognizing the need to attain competitiveness in the ASEAN region in particular;

WHEREAS, there is a need to augment and enhance policy and directions of existing motor vehicle development programs towards ensuring a resurgent automotive industry that supports innovation, technology transfer, environmental protection, and Small and Medium Enterprises (SMEs) development;

WHEREAS, there is a need to enable the country's automotive industry to seize market opportunities opened by the ASEAN Economic Community and deepen its participation in the regional supply chain; and

WHEREAS, the improvement of the automotive industry will boost manufacturing capability of the overall industrial sector, spur growth of SMEs and create more jobs in the country.

NOW, THEREFORE I, BENIGNO S. AQUINO III, President of the Republic of the Philippines, by virtue of the powers vested in me by law, do hereby order:

SECTION 1. Comprehensive Automotive Resurgence Strategy Program. The Comprehensive Automotive Resurgence Strategy Program, herein referred to as the

"CARS Program," is hereby adopted and implemented in order to attract new investments, stimulate demand and effectively implement industry regulations that will revitalize the Philippine automotive industry, and develop the country as a regional automotive manufacturing hub.

The thrust of this Program is to provide time-bound, and output or performance-based fiscal support to attract strategic investments in the manufacturing of motor vehicles and parts thereof. Other non-fiscal measures already provided by existing laws, rules and regulations, shall continue to be systematically implemented by the relevant government agencies.

SECTION 2. Coverage. The CARS Program shall be limited to the manufacture of three (3) Models of four-wheeled motor vehicles, and shall cover the following activities:

- a. Production of the enrolled Models;
- b. Manufacture of Body Shell Assembly and Large Plastic Assemblies of the Model;
- c. Manufacture of Common Parts and Strategic Parts not currently produced in the country at Original Equipment Manufacturer (OEM) standards of the Model/s; and
- d. Shared Testing Facility for vehicles and/or parts.

SECTION 3. Definition of Terms. As used herein, the following shall mean:

- a. *Body Shell Assembly* shall consist of the full set of metal components that goes from the body shop to the paint shop for one vehicle.
- b. *Common Parts* refer to automotive vehicle parts not currently produced in the Philippines at OEM standards that the registered Participating Car Makers (PCMs) agree to source from one parts supplier, such as, but not limited to, automotive glass and automotive seat fabric.
- c. *Full Model Change* refers to the major design change in the external body shell bumpers, including grills and lamps and interior of a vehicle. Full Model Change typically happens every four to six years for passenger cars and light commercial vehicles.
- d. *Large Plastic Parts* shall refer to all major plastic parts of bumpers, instrument panels, center consoles and door trims.
- e. *Logistics Efficiency Index* shall refer to the measure of cost efficiency of the logistics involved in the supply of motor vehicle parts and components for the enrolled Model.
- f. *Model* refers to a nameplate that is not currently manufactured in the country. However, a full model change of a nameplate that is currently manufactured in the country shall be considered a Model under this CARS Program.
- g. *Model Life* refers to the years upon which there are no major changes in the over-all design and appearance of a Model.
- h. *Nameplate* refers to the name used by the car maker in marketing a model, including its variants, in the Philippines.
- i. *Parts* refer to the Body Shell Assembly and Large Plastic Parts Assemblies of the Model, as well as the Common and Strategic Parts.

- j. *Planned total production volume* refers to the model life production volume up to a maximum of six (6) years as submitted by the applicant.
- k. *Segment Weighted Average Price* refer to the weighted average Net Manufacturer's Price for the vehicle segment of an enrolled Model less the estimated manufacturer's net profit of five percent (5%).
- l. *Standard Production Support* refers to the quotient of sixty percent of the Model Life Budget over the difference between the planned Model Life production volume and one hundred thousand. Model Life in this case shall not exceed six (6) years.
- m. *Strategic Parts* refer to automotive vehicle parts specific to an enrolled Model not currently produced in the Philippines at OEM standards such as, but not limited to, struts and shock absorbers, plastic fuel tanks, head lamps, rear combination lamps, steering assembly, and aluminum radiators.

SECTION 4. Functions of the BOI. The BOI, as the lead implementing and coordinating agency of the CARS Program, shall perform the following:

- a. Act upon the recommendation/s of the Inter-Agency Committee on Automotive Industry Development established under Section 5 of this Executive Order;
- b. Oversee the implementation of the CARS Program;
- c. Submit the annual report on the performance of the CARS Program to the Office of the President (OP);
- d. Coordinate automotive industry development efforts of all concerned agencies and instrumentalities of the government; and
- e. Perform such other acts as may be necessary or incidental to the exercise of its function and powers and the discharge of its duties under this Order.

SECTION 5. Inter-agency Committee on Automotive Industry Development.

An Inter-agency Committee on Automotive Industry Development, herein referred to as "the Inter-agency Committee," is hereby created to administer and implement the CARS Program.

The Department of Trade and Industry-BOI representative shall act as Chairperson of the Interagency Committee, with members from the following:

- a. Department of Finance (DOF);
- b. Department of Transportation and Communication;
- c. Department of Science and Technology;
- d. National Economic and Development Authority;
- e. Technical Education and Skills Development Authority;
- f. The Co-Chairman of the Industry Development Council; and
- g. The Co-Chairman of the National Competitiveness Council.

The BOI shall also act as the Secretariat of the Inter-Agency Committee.

SECTION 6. Functions of the Inter-Agency Committee. The Inter-agency

Committee shall perform the following functions:

- a. Evaluate applications for enrollment of Models under the CARS Program;
- b. Evaluate applications for registration of PCMs, including its makers and/or service providers of Body Shells, Large Plastics Parts, Common Parts and Strategic Parts under the CARS Program;
- c. Recommend to the BOI the issuance of the Certificate of Registration for the PCMs including its makers and/or service providers and impose terms and conditions;
- d. Evaluate eligibility and availment of the fiscal support under the CARS Program;
- e. Monitor overall CARS performance and audit compliance of the CARS Program;
- f. Prepare annual report on the performance of the CARS Program, to be submitted to the OP, through the BOI;
- g. Recommend to BOI the withdrawal/forfeiture of the fiscal support in the event that the registered Participant fails to comply with the terms and conditions of its registration;
- h. Undertake studies and research including review of existing government regulations, as needed, to make policy recommendations in enhancing the effectivity of the CARS and other related Programs, as well as, in improving the overall performance of the automotive industry; and
- i. Perform such other functions as may be necessary.

SECTION 7. Criteria for Enrollment of a Model. The criteria for the enrollment of a Model shall be based on, but not limited to, the following:

- a. Track record and Model competitiveness;
- b. New investments in Body Shell Assembly and Large Plastic Parts Assemblies;
- c. Planned volume, as may be determined by BOI, but in no case lower than two hundred thousand (200,000) vehicles over the Model Life up to a maximum of 6 years;
- d. Economic impact of the investment plan for the Model, including impact on the parts manufacturing industry and linkages, jobs generation, and overall consumer welfare;
- e. Overall competitive environment and long-term industry development; and
- f. Compliance with fuel efficiency and emission level standards as may be determined by BOI, which in no case shall be lower than the standards under the Clean Air Act.

SECTION 8. Eligibility and Qualifications of Participants. The participating Car Makers, Parts Makers and Shared Testing Facility Proponent must meet the following qualifications, and such other criteria as may be required by BOI:

Minimum Qualifications for Car Makers

- a. An internationally-recognized Car Maker/brand owner and/or its authorized in country licensed manufacturer acting jointly with an internationally- recognized carmaker/brand owner;
