RULES AND GUIDELINES ON THE ACCREDITATION OF SERVICE PROVIDERS AT THE FREEPORT AREA OF BATAAN

I. RATIONALE and OBJECTIVES

One of the objectives of the Authority of the Freeport Area of Bataan (AFAB) is to establish mechanisms that will ensure transparency and accountability in all business activities between locators and non-Iocators. The accreditation process is one of its instruments in ensuring that registered enterprises acquire legitimate services from companies engaged in different activities.

The AFAB aims to provide an even playing field and encourage more service providers, especially reputable and responsible firms, to participate in the business arena. As part of AFAB's programs to foster sound regulatory frameworks and encourage stable growth among registered enterprises, the Registration Division (RD) stresses that performance and compliance with requirements and regulations serve as bases for renewal of accreditation for all service providers.

II. GENERAL PROVISIONS
