

**[ BOC CUSTOMS MEMORANDUM ORDER NO. 39-2010, September 24, 2010 ]**

**ENHANCED AUTOMATED CARGO TRANSFER SYSTEM (E-ACTS),  
CARGO TRANSFER FEE (CTF) RATES AT PORTS OF DISCHARGE  
AND USE OF IEIRD (BC FORM 236) AND COVERAGE OF  
UTILIZATION OF CUSTOMS BROKERS' CTF PRE-PAYMENT  
ACCOUNTS**

**I. Objectives**

1. To clarify the implementation of the Cargo Transfer Fee (CTF) rates provided in CMO 37-2010
2. To clarify when the Customs Broker should submit the IEIRD (BC Form 236) in addition to the Transit-SAD Model of Declaration (8-8) for the clearance and release of transit goods of economic and freeport zone locators in ports of discharge.
3. To define the coverage of the utilization of Customs brokers' CTF Prepayment Accounts (CB-PPA) in the BOC In-House Bank in the ports of discharge

**II. Scope**

This Order shall apply to the Cargo Transfer Fees charged in connection with the implementation of the E-ACTS for the clearance and release of transit goods of economic and freeport zone locators discharged at the following ports: Port of Manila (POM), Manila International Container Port (MICP), Port of Subic (POS), Ninoy Aquino International Airport (NAIA), Mactan-Cebu International Airport (MCIA), Cebu International Port (CIP), Subic International Airport (SIA), and Diosdado Macapagal International Airport (DMIA)

**III. General Provisions**

1. Cargo Transfer Fee Rates at the Port of Discharge and Use of the IEIRD (BC Form 136)

1.1 The Cargo Transfer Fee (CTF) rates in all ports of discharge shall be harmonized at Php 1,015.00, except for the CTF rate of Php 737.00 which shall be charged for transit goods of Mactan Economic Zone I Locators discharged at the Mactan-Cebu International Airport MCIA).

1.2 The BOC MISTG shall immediately amend the ACOS procedure for the computation of the CTF, particularly for the District of Cebu where the IPF component of the CTF, is computed as a variable amount based on the FOB value of the shipment.
