

**[ SRA CIRCULAR LETTER NO. 5, January 30, 1998 ]**

**RE-CALIBRATION OF WEIGHING SCALES**

Immediately before the start of the milling/refinery operation, you are hereby advised to have your weighing scales re-calibrated by a reputable surveying company whose services shall be paid by the concerned mill/refinery companies.

The said re-calibration shall be conducted in the presence of the producer's representatives and the Regulation Officer assigned thereat.

For strict compliance.
