[ATO DEPARTMENT ORDER NO. 98-1178, September 03, 1998]

AN ORDER REVISING CERTAIN FEES AND CHARGES OF THE AIR TRANSPORTATION OFFICE (ATO) FOR ALTERNATE INTERNATIONAL AIRPORTS AND NATIONAL AIRPORTS (D.O. NO. 94-763)

In compliance with Executive Order No. 159 dated 23 February 1994, as implemented by Department of Finance and Department of Budget and Management Joint Circular No. 2-94 dated 14 December 1994, directing revision of fees and charges at just and reasonable rates to recover full cost of services rendered, Parts III, IV and V of Department Order No. 94-763 are accordingly amended as follows:

LANDING FEES

The entire provision of PART III, Sections 1 to 4 of D.O. No. 94-763, are hereby amended to read as follows:

"Sec. 1. Landing Fees for International Flights at Alternate International Airports — Landing fee shall be P100.00 per 1,000 kgs. gross weight or a fraction thereof up to 160,000 kgs. and P80.00 for every 1,000 kgs. or a fraction thereof in excess of 160,000 kgs."

"Sec. 2. Landing Fees for Domestic Flights at Alternate International Airports — Landing fee for domestic flights at alternate international airports shall be P70.00 per 1,000 kgs. gross weight or a fraction thereof up to 160,000 kgs. and P50.00 for every 1,000 kgs. or a fraction thereof in excess of 160,000 kgs."

"Sec. 3 Landing Fees for Domestic Flight at Other National Airports — Landing fees for domestic flights at other national airports hereunder prescribed shall cover landing and take-off as follows:

A) For airports with portland cement concrete paved runway, the fee shall be P55.00 per 1,000 kgs.

B) For airports with asphaltic concrete macadam paved runway, the fee shall be P45.00 per 1,000 kgs."

"Sec. 4. Night Landing Fees — At airports with night landing facilities an additional charge of fifteen percent (15%) of the corresponding charges prescribed under Section 3 hereof, shall be imposed on all commercial aircrafts landing and taking-off between 6:00 p.m. to 6:00 a.m. (local time). This additional charge shall be reduced to ten percent (10%) if:
