

[MIA MEMORANDUM CIRCULAR NO. 41, January 20, 1988]

GUIDELINES FOR THE ISSUANCE OF ENDORSEMENT OF CERTIFICATES AND RATINGS CERTIFICATE IN COMPLIANCE WITH THE REQUIREMENTS OF THE STCW 1978 CONVENTION

Please be informed that in its meeting on 20 January 1988, the Board approved the following guidelines for the issuance of certificates pursuant to the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers (STCW) 1978 which was acceded to and deposited with the International Maritime Organization (IMO) by the Philippine Government on 11 January and 22 February 1984, respectively, and Executive Order Nos. 125 and 125-A, to wit:

A

Scope and Coverage

1. Officers

a. All officers who were issued certificate of competency or license by the Professional Regulations Commission (PRC) and by the National Telecommunications Commission (NTC) in the case of Radio Officers and have served it before 22 May 1984, (the date the Convention entered into force for the Philippines) said certificate shall be considered as valid after entry into force of the Convention and may be issued an Endorsement of Certificates for the same position.

b. All officers who had commenced sea service before the Convention entered into force but were issued certificate or license by the PRC or NTC after entry into force, said certificate, shall be considered as valid and may likewise be issued an STCW Endorsement for the upgraded position.

However, succeeding upgrading of license will have to conform with the STCW requirements which means that they have taken and have passed the upgrading courses/modules packaged and conducted for deck and engine marine officers by the National Maritime Polytechnic (NMP) at Tacloban, Leyte, in particular.

c. All other officers who had commenced sea service and were issued certificates of competency or licensees after entry into force of the Convention shall take the upgrading courses/modules packaged and conducted for deck and engine marine officers by the NMP at Tacloban, Leyte before endorsement of their certificate can be made.

2. Ratings

- a. Only seamen performing deck or engine watchkeeping duties shall be certified/endorsed.
- b. Those ratings who have served watchkeeping duties for a period of not less than one (1) year within the last five (5) years preceeding 22 May 1984 shall be qualified for certification/endorsement.

3. *Certificates Issued*

1. Certificate of Endorsement

- a. All officers — deck, engine, and radio — shall be required to have their license endorsed by Maritime Industry Authority (MARINA) provided they present together with the license their health certificates, from a MARINA-recognized/accredited hospitals, seaman's book for the required sea service, request from employer, crew's contract or certification from employer that they are line-up for employment, the required STCW certificates and other requirements as may be deemed by MARINA.
- b. Officers and ratings who are to have specific duties and responsibilities in connection with cargo and cargo equipment on oil, chemical, or liquefied gas tankers shall take and complete a specialized training program appropriate to their duties and type of ship they are to board. Certificates obtained from special training shall have to be endorsed by MARINA.

2. Rating's Certificate

Only seafarers forming part of navigational or engine watch shall be Issued the Rating's Certificate, provided they comply with the following requirements:

- a. At least 18 years of age
- b. Must have passed a thorough physical examination with emphasis on hearing and eyesight from a MARINA-accredited recognized hospital/clinic.
- c. Must be a holder of BSMT or NAME degree (except for ratings falling under B.2 of above).
- d. Must have served on board vessels of more than:
 - 250 GRT — in deck dept. for six (6) months as part of navigational watch.
 - 750 kw. — in engine dept for one (1) year as part of engine watch.
- e. Must have knowledge or training in the requirements of Regulation II/6 or III/6 (except for ratings under B.2. of above)
