No. 1708-63

The Department of Foreign Affairs presents its compliments to the Embassy of the United States of America and has the honor to refer to recent discussions concerning a voluntary agreement to extend coverage of the Social Security System of the Government of the Philippines to particular groups of Filipino employees.

The Department has the honor to propose that non-U.S. citizen employees of the United States Employees Association, the JUSMAG Officers Club, the JUSMAG NCO Club, and the AID Employees' Recreation Association be brought into coverage by the Social Security System of the Government of the Philippines on a basis similar to that proposed by the Embassy of the United States of America for Filipino employees of the United States-operated bases in the Philippines as contained in the Embassy's Note No. 762 of April 23, 1962.

If the foregoing proposal is acceptable to the Embassy, an affirmative reply shall be considered to constitute an agreement that this coverage will be provided for the non-U.S. citizen employees of the above-mentioned employing organizations effective as soon as administrative arrangements may be concluded between the Social Security System and the employing organizations.

The Department avails itself of this opportunity to renew to the Embassy of the United States of America the assurances of its highest consideration.
