- f. Memorandum Circular Number 07 entitled "Recognition/Operation of Gun Clubs" dated June 2006.

II. PURPOSE

This Circular prescribes the rules and regulations governing the manufacture, dealership, importation, exportation, sale, possession, and carriage of airsoft rifles/pistols and operation of airsoft teams and game sites.

III. SCOPE

This Circular shall apply to all natural and juridical persons who intend to manufacture, deal, import, export, sell, possess and carry airsoft rifles/pistols which has been classified as a special type of gun. This Circular also sets the provision for the establishment and operation of airsoft teams and game sites.

IV. DEFINITION OF AIRSOFT RIFLE/PISTOL

Airsoft Rifle/Pistol defined herein used includes battery operated, spring and gas type powered rifles/pistol which discharge plastic or rubber pellets only as bullets or ammunition. This differs from replica as the latter does not fire plastic or rubber pellet

V. RESTRICTION

Airsoft Rifle/Pistol as herein classified as special type of air gun, shall be used in sporting activities such as war game simulation only. All airsoft rifle/pistol shall not exceed 550 feet per second velocity using a 20 gram BB. Otherwise, an airsoft rifle/pistol exceeding the prescribed limit shall not be eligible for registration

VI. MANUFACTURE AND SALE

All natural and juridical persons who intend to manufacture or sell airsoft rifle/pistol shall apply for a license to manufacture or license to deal airsoft rifles/pistols under the existing rules and regulations of the Philippine National Police thru Firearms and Explosives Division of the Civil Security Group as provided for under the provision of Revised Memorandum Circular Number 99-009.

VII. MARKINGS

Upon the one-time registration with the FED-CSG, PNP, for those airsoft rifles/pistols with no serial numbers, a barcode sticker bearing a permanently assigned unique serial number shall be affixed on a conspicuous part of the airsoft rifle/pistol. Said barcode sticker shall remain valid for the lifetime of the gun.

Those airsoft rifles/pistols with existing serial numbers shall be registered using their individually affixed serial numbers.

Duplication of serial numbers and/or falsification of barcode stickers shall be deemed as a violation of this Circular which shall result to the revocation of any airsoft license issued to the holder.

Airsoft rifle and pistols must be painted with bright red or orange color at the tip of the muzzle, not less than 6.35 centimeters in length.

VIII. REGISTRATION

Any person who desires to possess airsoft rifle/pistol shall file his application in accordance with PNP SOP Number 13 entitled "Licensing of Firearms" except that minimum age shall be 18 years of age for airsoft rifle/pistol. The one time registration for airgun shall be applied to airsoft rifle/pistol. In case of transfer of ownership to a qualified citizen, the required procedure in the transfer of regular air gun shall apply. A licensed airsoft rifle/ pistol holder shall not transfer physical possession of his registered airsoft rifle/pistol until the application for license to possess airsoft rifle/pistol is approved by FED-CSG.

IX. TRANSPORT OF AIRSOFT RIFLE/PISTOL

A Permit To Transport (PTT) airsoft rifle/pistol shall be required for the transport of all airsoft rifles/pistols from the place of residence to any game or exhibition site. Application for a Permit To Transport (PTT) airsoft rifle/pistol shall be filed at the FED-CSG for Metro Manila applicants and their respective Municipal, City, Provincial Police Offices or at FESAGS.

The Permit To Transport airsoft shall cover a maximum of five (5) airsoft units,
