

**[DENR ADMINISTRATIVE ORDER NO. 2002-31,
December 03, 2002]**

AMENDING DENR ADMINISTRATIVE ORDER NO. 2000-83

Pursuant to the Department's thrust on the sustainable development of our natural resources and to generate revenues from the operation of existing establishments in the form of fees and charges, DENR Administrative Order No. 2000-83 *"Guidelines for the Management and Development of Small Islands, Including its Coastal Areas"* is hereby amended as follows:

"Section 5. Development and Land Use Guidelines

xxx

The following guidelines shall be observed in the preparation of the Island Physical Framework Plan (IPFP):

- a. Islands/Islets less than 500 hectares in area shall be under strict conservation areas and as such shall not be alienated nor disposed of for any purpose;
- b. Islands/Islets 500 hectares up to 5,000 hectares shall be under restricted use. Land titling shall be limited to those with pending applications on classified A and D lands as of the effectivity of this Order; and
- c. Islands/Islets more than 5,000 hectares up to 50,000 hectares shall be open to sustainable development. Land titling may be undertaken in certified A and D lands.

All land leases/permits which are inconsistent with the IPFP shall no longer be renewed or extended after their expiration. In such cases the previous lessee/permittee shall be given preference in the application for new leases/permits.

Any lease/permit granted over public lands in small islands, whether new or renewed, or any extension of the same, shall:

- a) be consistent with the IPFP;
- b) have a term of not to exceed twenty five (25) years; and
- c) be amended accordingly whenever;
 - i. the IPFP is amended; or
 - ii. a policy is developed consistent with the provisions of the Constitution that the development, utilization and
