[LETTER OF INSTRUCTION NO. 1184, January 09, 1982]

TO: All Ministries, Other Government Agencies and Government Corporations

WHEREAS, sharing the fruits of development is one of the aims of the Rational Government;

WHEREAS, providing livelihood opportunities to the greater mass of the Filipino people would foster improved quality of life to everyone;

WHEREAS, it is for this purpose that the Kilusang Kabuhayan at Kaunlaran was launched by the National Government;

WHEREAS successful implementation of the Kilusang Kabuhayan at Kaunlaran, the national livelihood movement, hinges greatly on the people identified to spearhead thie activity, particularly at the municipal level;

WHEREAS, all officials and employees of the government, especially those designated to perform the duties and responsibilities of Municipal Action Officers play a vital role in the execution of programs and projects of this national movement;

NOW, THEREFORE, I, FERDINAND E. MARCOS, President of the Philippines, by virtue of the powers vested in me by the Constituion, do hereby order and ordain:

1. All Ministries, other government agencies and government corporations are hereby instructed to detail all Human Settlements Officers under their organization who have been designated as KKK Municipal Action Officers to the Kilusang Kabuhayan at Kaunlaran Secretariat based in the Ministry of Human Settlements;

2. This detail shall be on a full-time basis, starting from the date of designation;

3. All detailed Municipal Action Officers shall henceforth, report directly to and coordinate with their respective Regional Action Officers in the performance of their duties and responsibilities, as follows:

   (a) Oversee the implementation of the KKK in the municipality;

   (b) Coordinate with the Municipal Development Council, Support Agency technicians, beneficiaries and banks for program/ project activities;

   (c) Provide support/assistance to the Municipal Development Council and beneficiaries in the identification of livelihood projects for approval;

   (d) Package project prototypes and introduce the same in the
