The Schedule

---

An Act to provide for the registration of optometrists and opticians, to regulate their practices and to provide for purposes connected therewith.

[22 February 2008]

PART 1  
PRELIMINARY

**Short title**

1. This Act is the Optometrists and Opticians Act 2007.

**Interpretation**

2. In this Act, unless the context otherwise requires —

“Board” means the Optometrists and Opticians Board established under section 4;

“certificate of registration” means a certificate of registration issued by the Board under section 17;

“Director” means the Director of Medical Services;

“eye care” means any form of healthcare that is related to the diagnosis and treatment of eye or vision-related conditions;

“inspector” means an inspector appointed by the Board under section 31(1);

“institution of higher learning” means a polytechnic or university;

“medical practitioner” means a person who is registered under the Medical Registration Act 1997;

“member” means a member of the Board;

“ophthalmologist” means a person who is, by virtue of registration in the Register of Specialists under the Medical Registration Act 1997, entitled to practise as a specialist in ophthalmology;

“optical appliances” means lenses, spectacles, eyeglasses, artificial eyes, contact lenses or appurtenances thereto for the aid or correction of visual or ocular anomalies of the eyes;

“optician” means a person who is registered in the Register of Opticians under this Act;

“opticianry” or “the practice of opticianry” means any of the acts or activities specified in Part 1 of the Schedule;
