Singapore Overseas Telecommunication Board Ordinance

Bill No. 169/1962

Read the first time on 14th March 1962.

An Ordinance to provide for the establishment of a corporation to be known as the Singapore Overseas Telecommunication Board and for the exercise and performance by the corporation of functions relating to the provision and operation of external telecommunication services and for the transfer to the corporation of the external telecommunication undertakings of the Government and Cable and Wireless Limited in Singapore and for matters connected therewith.

Whereas by an Agreement dated the 8th day of March 1962, between the Government of Singapore and Cable and Wireless Limited in Singapore it has been agreed that a Board to be known as the Singapore Overseas Telecommunication Board should be established for the exercise and performance by such Board of functions relating to the provision and operation of external telecommunication services:

And whereas by such Agreement it has been further agreed that the external telecommunication undertakings of the Government of Singapore and Cable and Wireless
