**ENVIRONMENTAL PROTECTION AND MANAGEMENT ACT
(CHAPTER 94A)**

**ENVIRONMENTAL PROTECTION AND MANAGEMENT ACT (AMENDMENT OF
SECOND SCHEDULE) ORDER 2008**

In exercise of the powers conferred by section 76(1) of the Environmental Protection and Management Act, the Minister for the Environment and Water Resources hereby makes the following Order:

Citation and commencement

1. This Order may be cited as the Environmental Protection and Management Act (Amendment of Second Schedule) Order 2008 and shall come into operation on 31st January 2008.

Amendment of Second Schedule

2. The Second Schedule to the Environmental Protection and Management Act is amended —

- (a) by inserting, immediately above the item “Acetic acid” in Part I, the following item:

| | |
|-------------------------|--|
| 1,2-dibromoethane (EDB) | |
|-------------------------|--|

- (b) by inserting, immediately below the item “Acetic acid” in Part I, the following items:

| | |
|----------------------|--|
| Acetyl bromide | |
| Allyl isothiocyanate | |

- (c) by inserting, immediately below the item “Antimony pentachloride” in Part I, the following item:

| | |
|---------------------|--|
| Antimony trihydride | |
|---------------------|--|

- (d) by deleting the item “Asbestos in the form of crocidolite, amosite, chrysotile and amphiboles and products containing these forms of asbestos” in Part I and substituting the following item:

| | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Asbestos in the form of crocidolite, actinolite, anthophyllite, amosite, tremolite, chrysotile and amphiboles and products containing these forms of asbestos | Asbestos in the form of chrysotile in any vehicle brake or clutch lining installed in any vehicle registered before 1st April 1995. |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|

- (e) by inserting, immediately below the item “Boric acid; Sodium borate” in Part I, the following item:

| | |
|------------------|--|
| Boron tribromide | |
|------------------|--|

- (f) by inserting, immediately below the item “Carbamates” in Part I, the following item:

| | |
|-----------------|------------------------------------------------------------------------------------|
| Carbon monoxide | Gas mixtures containing carbon monoxide weighing less than 1 metric tonne; |
| | Gas mixtures containing carbon monoxide as by-products from combustion activities. |

- (g) by inserting, immediately after the item “Chlordecone” under the substance “Chlorinated hydrocarbons, the following:” in Part I, the following item:

“Chlordimeform”;

- (h) by deleting the item “Gamma benzene hexachloride (Gamma — BHC)” under the substance “Chlorinated hydrocarbons, the following:” in Part I and substituting the following items:

“Gamma benzene hexachloride (Gamma — BHC), also known as lindane HCH (mixed isomers)”;

- (i) by inserting, immediately after the item “Heptachlor” under the substance “Chlorinated hydrocarbons, the following:” in Part I, the following item:

“Hexachloroethane”;

- (j) by inserting, immediately after the item “Methoxychlor [1, 1, 1-trichloro-2, 2-di-(p-methoxyphenyl) ethane]” under the substance “Chlorinated hydrocarbons, the following:” in Part I, the following item:

“Mirex”;

- (k) by deleting the item “Pentachlorophenol and their salts” under the substance “Chlorophenols, the following:” in Part I and substituting the following item:

“Pentachlorophenol and its salts and esters”;

- (l) by deleting the item “Chlorophenoxyacids; their salts, esters, amines” in Part I and substituting the following item:

| | |
|-----------------------------------------------------------------------------------------------------------------------------|--|
| Chlorophenoxyacids; their salts, esters, amines, which include but are not limited to — 2,4,5-T and its salts and esters | |
|-----------------------------------------------------------------------------------------------------------------------------|--|

- (m) by deleting the item “Dinitrocresols (DNOC); their compounds with a metal or a base” in Part I and substituting the following item:

| | |
|----------------------------------------------------------------------------------------------------|--|
| Dinitro-ortho-cresol (DNOC) and its salts (such as ammonium salt, potassium salt and sodium salt)" | |
|----------------------------------------------------------------------------------------------------|--|

- (n) by deleting the item “Dinoseb; its compounds with a metal or a base” in
