2. The Schedule to the Poisons Act is amended —

(a) by inserting, immediately below the item “Almitrine; its salts”, the following item:

“Alosetron; its salts”;

(b) by inserting, immediately below the item “Atorvastatin; its salts”, the following item:

“Atosiban; its salts”;

- (c) by deleting the item “Bupivacaine; its salts” and substituting the following item:

“Bupivacaine; its salts; its isomers; their salts”;

- (d) by inserting, immediately below the item “Calabar bean; alkaloids of; their quarternary compounds; their salts”, the following item:

“Calcipotriol”;

- (e) by inserting, immediately below the item “Carvedilol”, the following item:

“Caspofungin; its salts”;

- (f) by deleting the item “Cetirizine; its salts” and substituting the following items:

“Cetirizine; its salts; its isomers; their salts

Cetorelix; its salts”;

- (g) by inserting, immediately below the item “Clindamycin; its salts; its esters; their salts”, the following item:

“Clioquinol”;

- (h) by inserting, immediately below the item “Daclizumab”, the following item:

“Dalfopristin”;

- (i) by inserting, immediately below the item “Debrisoquine; its salts”, the following items:

“Deferiprone

Deferoxamine; its salts”;

- (j) by inserting, immediately below the item “Doxepin; its salts”, the following item:

“Doxofylline; its salts”;

- (k) by inserting, immediately below the item “Droperidol”, the following item:

“Drospirinone”;

- (l) by inserting, immediately below the item “Elaterin”, the following item:

“Eletriptan; its salts”;

- (m) by inserting, immediately below the item “Etafedrine; its salts”, the following item:

“Etanercept”;

- (n) by inserting, immediately below the item “Etonitazene; its salts”, the following item:

“Etonogestrel”;

- (o) by inserting, immediately below the item “Etoposide; its salts”, the following item:

“Etoricoxib”;

- (p) by inserting, immediately below the item “Feprazone”, the following item:

“Fexofenadine; its salts; its esters; their salts”;

- (q) by inserting, immediately below the item “Follicle stimulating hormone (FSH)”, the following item:

“Fondaparinux; its salts”;

- (r) by inserting, immediately below the item “Gadopentetic acid; its salts”, the following item:

“Gadoversetamide”;

- (s) by inserting, immediately below the item “Ganciclovir; its salts”, the following items:

“Ganirelix; its salts

Gatifloxacin; its salts; its isomers; its esters; their salts”;

- (t) by inserting, immediately below the item “Gemfibrozil; its salts; its esters and salts of such esters”, the following item:

“Gemtuzumab Ozogamicin”;

- (u) by inserting, immediately below the item “Ifosfamide”, the following item:

“Imatinib; its salts”;

- (v) by deleting the item “Insulin” and substituting the following item:

“Insulins”;

- (w) by inserting, immediately below the item “Itraconazole”, the following item:

“Ivermectin”;

- (x) by inserting, immediately below the item “Lepirudin”, the following item:

“Lercanidipine; its salts”;

- (y) by inserting, immediately below the item “Levamphetamine; its salts”, the following item:

“Levetiracetam; its salts; its isomers; their salts”;

- (z) by inserting, immediately below the item “Levorphanol; its salts; its esters and ethers; their salts”, the following item:

“Levosimendan”;

- (za) by inserting, immediately below the item “Loperamide; its salts”, the following item:

“Lopinavir”;

- (zb) by deleting the item “Luteinising hormone” and substituting the following items:

“Lumefantrine; its salts; its isomers; their salts

Luteinising hormones”;

- (zc) by inserting, immediately below the item “Midazolam; its salts”, the following item:
