[1st April 1999]

## **Citation**

**1.** These Regulations may be cited as the Sewerage and Drainage (Sanitary Appliances and Water Charges) Regulations.

## Definitions

2.—(1) In these Regulations, unless the context otherwise requires —

“domestic premises” means premises used exclusively for residential purposes;

“non-domestic premises” means premises other than domestic premises.

(2) For the purposes of these Regulations, where a part of any premises is used —

(a) for the purposes of or in connection with any trade, business or profession;  
or

(b) as a hotel, boarding house, school, place of worship or mess,

such premises shall be regarded as non-domestic premises.

## Charges on sanitary appliances

3. The following charges shall be payable in respect of each of the following sanitary appliances which is installed in any premises and is connected to any sewer or sewerage system vested in or owned by the Government or controlled, supervised, maintained and repaired by the Board:

(a) water closet		\$3 per month;
(b) bidet		\$3 per month;
(c) slop-sink		\$3 per month;
(d) urinal		\$3 per month per bowl or stall or for every 610 millimetres length of slab.

## Charges on water consumption

4. Subject to regulation 5, the following charges shall be payable in respect of the amount of water used in any premises:

(a) domestic premises		30 cents per cubic metre;
(b) non-domestic premises		60 cents per cubic metre.

## No charges in respect of industrial water, etc.

5. The charges referred to in regulation 4 shall not be payable in respect of —

(a) water used in the end products of industries;

(b) industrial water supplied by the Government and used in any premises; and
