THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008[(1)], and in particular point (b) of the first paragraph of Article 78 thereof,

Whereas:

(1) Commission Implementing Regulation (EU) No 809/2014[(2)] provides for the final date of submission of the single application, aid applications or payment claims, for the final date for notification of amendments to the single application or payment claim and for the final date for submission of applications for allocation of payment entitlements or the increase of the value of payment entitlements under the basic payment scheme.

(2) Due to the current situation resulting from the pandemic caused by COVID-19 and the extensive movement restrictions put in place in the Member States exceptional administrative difficulties have been encountered in all Member States.

(4) In view of that situation, it is appropriate to provide for a derogation from Articles 13(1) and 22(1) of Implementing Regulation (EU) No 809/2014 which enables Member States to fix for the year 2020 a final date of submission of the single application, aid applications or payment claims and a final date for submission of applications for

allocation of payment entitlements or the increase of the value of payments entitlements under the basic payment scheme that are later than those provided for in those Articles. Since the dates and periods referred to in Articles 11(4), 15(2) and (2a) of Implementing Regulation (EU) No 809/2014 are linked to the final date provided for in Article 13(1) of that Regulation, a similar derogation should be provided for the notification of the results of preliminary checks and of amendments to the single application or payment claim.

(5) Since those derogations should cover the single application, aid applications and payment claims, amendments to the single application or payment claim and applications for allocation of payment entitlements for the year 2020, it is appropriate that this Regulation applies to applications and payment claims relating to the year 2020.

(6) The measures provided for in this Regulation are in accordance with the opinion of the Committee for Direct Payments and the Committee for Rural Development,
