Commission Delegated Regulation (EU) 2019/1705 of 10 October 2019 amending Council Regulation (EU, Euratom) 2019/1197 as regards the deadlines by which the United Kingdom would have to fulfil the conditions for eligibility for Union funding following the withdrawal of the United Kingdom from the Union

COMMISSION DELEGATED REGULATION (EU) 2019/1705

of 10 October 2019

amending Council Regulation (EU, Euratom) 2019/1197 as regards the deadlines by which the United Kingdom would have to fulfil the conditions for eligibility for Union funding following the withdrawal of the United Kingdom from the Union

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU, Euratom) 2019/1197 of 9 July 2019 on measures concerning the implementation and financing of the general budget of the Union in 2019 in relation to the withdrawal of the United Kingdom from the Union[(1)], and in particular Articles 2(3), 3(3) and 8 thereof,

Whereas:

(1) On 29 March 2017, the United Kingdom submitted the notification of its intention to withdraw from the Union pursuant to Article 50 of the Treaty on European Union (TEU). The Treaties will cease to apply to the United Kingdom from the date of entry into force of the withdrawal agreement or, failing that, two years after that notification, unless the European Council, in agreement with the United Kingdom, unanimously decides to extend that period.

(2) Regulation (EU, Euratom) 2019/1197 lays down the conditions under which the United Kingdom and persons and entities established in the United Kingdom would continue to be eligible for Union funding for eligible expenditure incurred in 2019 from the date on which the Treaties cease to apply to and in the United Kingdom, and sets the deadlines by which the United Kingdom would have to fulfil the conditions for such continued eligibility, including a payment schedule for the months after August 2019.

(3) The deadlines and the payment schedule have been set considering the possibility of the United Kingdom withdrawing from the Union without an agreement on 13 April 2019.

(4) On 11 April 2019, the European Council adopted Decision (EU) 2019/584[(2)] further extending the period under Article 50(3) TEU in agreement with the United Kingdom until 31 October 2019.

(5) It is therefore appropriate to extend the deadlines by which the United Kingdom would have to fulfil the conditions laid down in Regulation (EU, Euratom) 2019/1197 and to

amend the payment schedule in order to take into account the extension of the period provided for in Article 50(3) TEU until 31 October 2019.

(6) Regulation (EU, Euratom) 2019/1197 should therefore be amended accordingly.

(7) It is also noted that the condition referred to in Article 3(1)(a) of Regulation (EU, Euratom) 2019/1197 is no longer relevant.

(8) To prevent a risk of serious disruption of the implementation and financing of the Union budget in 2019, especially for beneficiaries of Union spending programmes and other actions at the date of the withdrawal of the United Kingdom from the Union, this Regulation should be adopted under the urgency procedure detailed under Article 8 of Regulation (EU, Euratom) 2019/1197 and as provided in Articles 2(3) and 3(3) of that Regulation, and should enter into force as a matter of urgency on the day following that of its publication in the *Official Journal of the European Union*. It should apply from the day following that on which the Treaties cease to apply to and in the United Kingdom, unless a withdrawal agreement concluded with the United Kingdom has entered into force by that date,

HAS ADOPTED THIS REGULATION:
