COMMISSION DELEGATED REGULATION (EU) 2018/1127

of 28 May 2018

amending Delegated Regulation (EU) 2015/2195 on supplementing Regulation (EU) No 1304/2013 of the European Parliament and of the Council on the European Social Fund, regarding the definition of standard scales of unit costs and lump sums for reimbursement of expenditure by the Commission to Member States

THE EUROPEAN COMMISSION,

Whereas:

(1) With a view to simplifying the use of the European Social Fund 'ESF' and reducing the administrative burden for beneficiaries, it is appropriate to increase the scope of standard scales of unit costs and lump sums available for reimbursement to Member States. The standard scales of unit costs and lump sums for reimbursement to Member States should be established on the basis of data submitted by Member States or published by Eurostat and on the basis of methods commonly agreed, including the methods set out in Article 67(5) of Regulation (EU) No 1303/2013 of the European Parliament and of the Council[(2)] and Article 14(2) and (3) of Regulation (EU) No 1304/2013.

(2) Taking into account the significant disparities between Member States regarding the level of costs for a particular type of operation, the definition and amounts of standard scales of unit costs and lump sums may differ according to the type of operation and the Member State concerned in order to reflect their specificities.

(3) Croatia, Ireland, Spain and the United Kingdon have submitted methods for defining standard scales of unit costs for reimbursement of expenditure by the Commission.

(4) France, the Czech Republic, Malta, Slovakia and Cyprus have submitted methods for either amending existing standard scales of unit costs, or defining additional standard scales of unit costs for reimbursement by the Commission concerning types of operation not yet covered by Commission Delegated Regulation (EU) 2015/2195[(3)].

(5) For the SSUCs relating to operations supporting education and applicable to all Member States except Greece and Denmark, the categories of costs coverd by the SSUCs, and
