Commission Regulation (EU) 2017/269 of 16 February 2017 amending Regulation (EC) No 1185/2009 of the European Parliament and of the Council concerning statistics on pesticides, as regards the list of active substances (Text with EEA relevance)

COMMISSION REGULATION (EU) 2017/269

of 16 February 2017

amending Regulation (EC) No 1185/2009 of the European Parliament and of the Council concerning statistics on pesticides, as regards the list of active substances

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1185/2009 of the European Parliament and of the Council of 25 November 2009 concerning statistics on pesticides[(1)], and in particular Article 5(3) thereof,

Whereas:

(1) Regulation (EC) No 1185/2009 establishes a common framework for producing comparable European statistics on the sales and use of pesticides.

(2) The Commission should adapt, on a regular basis and at least every five years, the list of substances to be covered and their classification in categories of products and chemical classes as set out in Annex III. As the latter was last updated in 2011 by Commission Regulation (EU) No 656/2011[(2)], the list annexed to that Regulation needs to be updated to cover the years from 2016 to 2020.

(3) Given the number of substances concerned and the complex process of identifying and classifying the relevant compounds, it is difficult for the national statistical authorities to acquire the array of tools they need to collect information on use and placing on the market of pesticides. Consequently, only substances assigned an identification number by one or both of the two major internationally recognised institutions that register chemical compounds or pesticides, the Chemical Abstracts Service of the American Chemical Society and the Collaborative International Pesticides Analytical Council, should be included.

(4) The measures provided for in this Regulation are in accordance with the opinion of the European Statistical System Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Annex III to Regulation (EC) No 1185/2009 is replaced by the Annex to this Regulation.

Changes to legislation: Commission Regulation (EU) 2017/269 is up to date with all changes known to be in force on or before 16 December 2020. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 February 2017.

For the Commission

The President

Jean-Claude JUNCKER
