(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC[(1)], and in particular Article 23(5) in conjunction with Article 13(2) thereof,

Whereas:

(1) In accordance with Article 23(3) of Regulation (EC) No 1107/2009, the Commission received on 19 October 2015 an application from the Institut technique de l'agriculture biologique (ITAB) for the approval of *Origanum vulgare* L. essential oil as basic substance. (5) The Commission invited the applicant to submit its comments on the Technical Report of the Authority and on the draft review report. The applicant submitted its comments, which have been carefully examined.

(6) However, despite the arguments put forward by the applicant, the concerns related to the substance cannot be eliminated.

(7) Consequently, as laid down in the Commission review report, it has not been established that the requirements laid down in Article 23 of Regulation (EC) No 1107/2009 are satisfied. It is therefore appropriate not to approve *Origanum vulgare* L. essential oil as basic substance.

(8) This Regulation does not prejudice the submission of a further application for the approval of *Origanum vulgare* L. essential oil as basic substance in accordance with Article 23(3) of Regulation (EC) No 1107/2009.

(9) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,
