Commission Implementing Regulation (EU) 2016/761 of 13 May 2016 derogating from Implementing Regulation (EU) No 809/2014 as regards the final date of submission of the single application, aid applications or payment claims, the final date for notification of amendments to the single application or payment claim and the final date for applications for allocation of payment entitlements or the increase of the value of payment entitlements under the basic payment scheme for the year 2016

COMMISSION IMPLEMENTING REGULATION (EU) 2016/761

of 13 May 2016

derogating from Implementing Regulation (EU) No 809/2014 as regards the final date of submission of the single application, aid applications or payment claims, the final date for notification of amendments to the single application or payment claim and the final date for applications for allocation of payment entitlements or the increase of the value of payment entitlements under the basic payment scheme for the year 2016

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1306/2013 of the European Parliament and of the Council of 17 December 2013 on the financing, management and monitoring of the common agricultural policy and repealing Council Regulations (EEC) No 352/78, (EC) No 165/94, (EC) No 2799/98, (EC) No 814/2000, (EC) No 1290/2005 and (EC) No 485/2008[(1)], and in particular point (b) of the first paragraph and the second paragraph of Article 78 thereof,

Whereas:

(1) Commission Implementing Regulation (EU) No 809/2014[(2)] provides for the final date of submission of the single application, aid applications or payment claims, for the final date for notification of amendments to the single application or payment claim and for the final date for submission of applications for allocation of payment entitlements or the increase of the value of payment entitlements under the basic payment scheme.

(2) Given the administrative difficulties encountered in the first year of implementation of the new legal framework for the direct payment schemes and rural development measures, which continue to exist in some Member States, as well as the new elements linked to the preparation of the application process for the claim year 2016, the administration of the single application, aid applications and payment claims and applications for allocation of payment entitlements or the increase of the value of payment entitlements under the basic payment scheme is delayed in some Member States. Those difficulties occur in the general context of the severe economic situation in certain agricultural sectors.

(3) That situation has affected the possibility of beneficiaries to submit the single application, aid applications or payment claims and applications for allocation of payment entitlements or the increase of the value of payment entitlements under the

basic payment scheme within the time limits provided for in Articles 13(1) and 22(1) of Implementing Regulation (EU) No 809/2014.

(4) In view of that situation, it is appropriate to provide for a derogation from Articles 13(1) and 22(1) of Implementing Regulation (EU) No 809/2014 which enables Member States to fix for the year 2016 a final date of submission of the single application, aid applications or payment claims and a final date for submission of applications for allocation of payment entitlements or the increase of the value of payments entitlements under the basic payment scheme that are later than those provided for in those Articles. Since the dates and periods referred to in Article 11(4) and Article 15(2) and (2a) of Implementing Regulation (EU) No 809/2014 are linked to the final date provided for in Article 13(1) of that Regulation, a similar derogation should be provided for the notification of amendments to the single application or payment claim and preliminary checks.

(5) Since those derogations should cover the single application, aid applications and payment claims, amendments to the single application or payment claim and applications for allocation of payment entitlements for the year 2016, it is appropriate that this Regulation applies to applications and payment claims relating to the year 2016.

(6) The measures provided for in this Regulation are in accordance with the opinion of the Committee for Direct Payments and the Committee for Rural Development,

HAS ADOPTED THIS REGULATION:

Article 1

Article 2

By way of derogation from Article 15(2) of Implementing Regulation (EU) No 809/2014 and in case the Member States use the derogation as provided for in Articles 1 and 3 of this Regulation, for the year 2016, the amendments made to the single application or payment claim in accordance with Article 15(1) of Implementing Regulation (EU) No 809/2014 shall be notified to the competent authority by 15 June.

Article 3
