Commission Implementing Regulation (EU) 2016/653 of 26 April 2016 on the issue of licences for importing rice under the tariff quotas opened for the April 2016 subperiod by Implementing Regulation (EU) No 1273/2011

COMMISSION IMPLEMENTING REGULATION (EU) 2016/653

of 26 April 2016

on the issue of licences for importing rice under the tariff quotas opened for the April 2016 subperiod by Implementing Regulation (EU) No 1273/2011

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007[(1)], and in particular Article 188 thereof,

Whereas:

(1) Commission Implementing Regulation (EU) No 1273/2011[(2)] opened and provided for the administration of certain import tariff quotas for rice and broken rice, broken down by country of origin and split into several subperiods in accordance with Annex I to that Implementing Regulation.

(2) April is the second subperiod for the quota provided for under Article 1(1)(a) of Implementing Regulation (EU) No 1273/2011.

(3) The notifications sent in accordance with point (a) of Article 8 of Implementing Regulation (EU) No 1273/2011 show that, for the quota with order number 09.4130, the applications lodged in the first 10 working days of April 2016 under Article 4(1) of that Implementing Regulation cover a quantity greater than that available. The extent to which import licences may be issued should therefore be determined by fixing the allocation coefficient to be applied to the quantities requested under the quota concerned, calculated in accordance with Article 7(2) of Commission Regulation (EC) No 1301/2006[(3)].

(4) Those notifications also show that, for the quotas with order numbers 09.4127, 09.4128 and 09.4129, the applications lodged in the first 10 working days of April 2016 under Article 4(1) of Implementing Regulation (EU) No 1273/2011 cover a quantity less than that available.

(5) The total quantity available for the following subperiod should also be fixed for the quotas with order numbers 09.4127, 09.4128, 09.4129 and 09.4130, in accordance with the first subparagraph of Article 5 of Implementing Regulation (EU) No 1273/2011.

(6) In order to ensure sound management of the procedure of issuing import licences, this Regulation should enter into force immediately after its publication,

Changes to legislation: *There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2016/653. (See end of Document for details)*
