Industrial Training Levy (Construction Industry) Order (Northern Ireland) 2002

Made - - - -	*17th July 2002*
Coming into operation	*31st August 2002*

Whereas proposals made by the Construction Industry Training Board(**1**) ("the Board") for the raising and collection of a levy have been submitted to, and approved by, the Department for Employment and Learning(**2**) ("the Department") under Article 23(1) of the Industrial Training (Northern Ireland) Order 1984(**3**) ("the Order of 1984");

And whereas the Department estimates that the amount which will be payable by any employer in the construction industry by virtue of this Order does not exceed an amount which the Department estimates is equal to one per cent. of the relevant emoluments being the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified, in the levy proposals as relevant, that is to say the period hereafter referred to in this Order as the "thirty-eighth base period" or, where an election is made, as the "alternative thirty-eighth base period";

And whereas in pursuance of Article 23(3) of the Order of 1984 the said proposals include provision for the exemption from the levy of employers who, in view of the small amount of the relevant emoluments, ought in the opinion of the Department to be exempted from it;

And whereas in pursuance of Article 25(6)(a) of the Order of 1984 the levy proposals include proposals that no remission be given to employers in the industry;

And whereas the levy proposals include provision that the amount of the non-remissible part of the levy will exceed two-tenths of one per cent. of the relevant emoluments;

And whereas in pursuance of Article 23(6) of the Order of 1984 the Department is satisfied and the relevant organisations consider, after taking reasonable steps to ascertain the views of the persons they represent, that the levy proposals are necessary to encourage adequate training in the industry;

And whereas Article 23(7)(a) of the Order of 1984 is applicable;
