of 13 July 2011

amending Regulation (EC) No 968/2006 laying down detailed rules for the implementation of Council Regulation (EC) No 320/2006 establishing a temporary scheme for the restructuring of the sugar industry in the Community

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 320/2006 of 20 February 2006 establishing a temporary scheme for the restructuring of the sugar industry in the Community and amending Regulation (EC) No 1290/2005 on the financing of the common agricultural policy[(1)], and in particular Article 12 thereof,

Whereas:

(1) Article 6 of Commission Regulation (EC) No 968/2006[(2)] provides that the period for dismantling production facilities and for complying with the social and environmental commitments referred to in Article 3(3)(c) and Article 3(4)(c) of Regulation (EC) No 320/2006 may be extended until 30 September 2011 at the latest.

(2) Certain sugar producers will not be able to fully dismantle their production facilities in time, unless that deadline is extended even further. However, the extension should not go beyond of what is absolutely necessary to finish the remaining dismantling works. Based on the information available to the Commission, the deadline shall accordingly be extended until 31 March 2012 at the latest.

(3) Regulation (EC) No 968/2006 should therefore be amended accordingly.

(4) The measures provided for in this Regulation are in accordance with the opinion of the Committee on the Agricultural Funds,
