COMMISSION REGULATION (EU) No 780/2010

of 2 September 2010

approving minor amendments to the specification for a name entered in the register of protected designations of origin and protected geographical indications (Thüringer Leberwurst (PGI))

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 510/2006 of 20 March 2006 on the protection of geographical indications and designations of origin for agricultural products and foodstuffs[(1)], and in particular the second sentence of Article 9(2) thereof,

Whereas:

(1) The Commission has examined Germany's application for approval, pursuant to the first subparagraph of Article 9(1) of Regulation (EC) No 510/2006 of an amendment to details of the specification for the protected geographical indication 'Thüringer Leberwurst', registered by Commission Regulation (EC) No 2400/96[(2)] as amended by Regulation (EC) No 2206/2003[(3)].

(2) The purpose of the application is to amend the specification by making the use of natural casing compulsory and by extending the forms of packaging, in particular to allow the use of plastic jars, but not artificial casing. This is more in line with market realities and consumer preferences and makes it possible to unlock existing market potential.

(3) The Commission has examined the amendments in question and concluded that they are justified. Since these are minor amendments, the Commission may approve them without using the procedure set out in Articles 6 and 7 of that Regulation,

HAS ADOPTED THIS REGULATION:

Article 1
