Commission Regulation (EU) No 432/2010 of 20 May 2010 fixing the export refunds on milk and milk products

COMMISSION REGULATION (EU) No 432/2010

of 20 May 2010

fixing the export refunds on milk and milk products

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation)[(1)], and in particular Article 164(2), in conjunction with Article 4, thereof,

Whereas:

(1) Article 162(1) of Regulation (EC) No 1234/2007 provides that the difference between prices on the world market for the products listed in Part XVI of Annex I to that Regulation and prices for those products on the Community market may be covered by an export refund.

(2) Given the present situation on the market in milk and milk products, export refunds should be fixed in accordance with the rules and certain criteria provided for in Articles 162, 163, 164, 167, 169 and 170 of Regulation (EC) No 1234/2007.

(3) Article 164(1) of Regulation (EC) No 1234/2007 provides that export refunds may vary according to destination, especially where the world market situation, the specific requirements of certain markets or obligations resulting from agreements concluded in accordance with Article 300 of the Treaty make this necessary.

(4) Export refunds for the Dominican Republic have been differentiated to take into account the reduced custom duties applied on imports under the import tariff quota under the Memorandum of Understanding between the European Community and the Dominican Republic on import protection for milk powder in the Dominican Republic[(2)], approved by Council Decision 98/486/EC[(3)]. Due to a changed market situation in the Dominican Republic, characterised by increased competition for milk powder, the quota is no longer fully used. In order to maximise the use of the quota, the differentiation of export refunds for the Dominican Republic should be abolished.

(5) Commission Regulation (EU) No 326/2010[(4)] amending Regulation (EEC) No 3846/87 of 17 December 1987 establishing an agricultural product nomenclature for export refunds[(5)] added certain product codes concerning cheeses to the agricultural product nomenclature. Consequently, those codes should be included in the Annex to this Regulation.

Changes to legislation: *There are currently no known outstanding effects for the Commission Regulation (EU) No 432/2010. (See end of Document for details)*

(6) The Management Committee for the Common Organisation of Agricultural Markets has not delivered an opinion within the time limit set by its Chair,

HAS ADOPTED THIS REGULATION:

Article 1

Export refunds as provided for in Article 164 of Regulation (EC) No 1234/2007 shall be granted on the products and for the amounts set out in the Annex to this Regulation, subject to the conditions provided for in Article 3 of Commission Regulation (EC) No 1187/2009[(6)].

Article 2

This Regulation shall enter into force on 21 May 2010.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 May 2010.

For the Commission, On behalf of the President,

Jean-Luc DEMARTY

Director-General for Agriculture and Rural Development
