Commission Regulation (EC) No 850/2009 of 17 September 2009 fixing the export refunds on milk and milk products

COMMISSION REGULATION (EC) No 850/2009

of 17 September 2009

fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation)[(1)], and in particular Article 164(2), in conjunction with Article 4, thereof,

Whereas:

(1) Article 162(1) of Regulation (EC) No 1234/2007 provides that the difference between prices on the world market for the products listed in Part XVI of Annex I to that Regulation and prices for those products on the Community market may be covered by an export refund.

(2) Given the present situation on the market in milk and milk products, export refunds should be fixed in accordance with the rules and certain criteria provided for in Articles 162, 163, 164, 167, 169 and 170 of Regulation (EC) No 1234/2007.

(3) Article 164(1) of Regulation (EC) No 1234/2007 provides that export refunds may vary according to destination, especially where the world market situation, the specific requirements of certain markets or obligations resulting from agreements concluded in accordance with Article 300 of the Treaty make this necessary.

(4) Export refunds for the Dominican Republic have been differentiated to take into account the reduced custom duties applied on imports under the import tariff quota under the Memorandum of Understanding between the European Community and the Dominican Republic on import protection for milk powder in the Dominican Republic[(2)], approved by Council Decision 98/486/EC[(3)]. Due to a changed market situation in the Dominican Republic, characterised by increased competition for milk powder, the quota is no longer fully used. In order to maximise the use of the quota, the differentiation of export refunds for the Dominican Republic should be abolished.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for the Common Organisation of Agricultural Markets,
