Made	*10th January 1989*
Coming into operation . .	*11th January 1989*

The Department of Agriculture in exercise of the powers conferred on it by Articles 5(1) and 60(1) of the Diseases of Animals (Northern Ireland) Order 1981(**a**) and of every other power enabling it in that behalf, hereby makes the following Order:

Citation and commencement

1. This Order may be cited as the Diseases of Animals (Feeding Stuffs) Order (Northern Ireland) 1989 and shall come into operation on 11th January 1989.

Interpretation

2. In this Order —

"animal" means a bovine animal, sheep, goat, deer and any other ruminant animal;

"animal protein" means any protein material which is derived from a carcase but does not include milk or any milk product or dicalcium bone phosphate;

"carcase" means the carcase of an animal and includes part of the carcase, and the meat, blood, bones, hair, wool, hide, skin, horn, hooves, offal or other part of an animal separately or otherwise, or any portion thereof;

"feeding stuffs" means fodder;

"fodder" has the meaning assigned to it by Article 2(2) of the Diseases of Animals (Northern Ireland) Order 1981;

"research establishment" means an establishment carrying out research into bovine spongiform encephalopathy.

Prohibition on sale, supply and use of certain feeding stuffs for feeding to animals

3.—(1) A person shall not sell or supply for feeding to any animal any feeding stuffs in which he knows or has reason to suspect that animal protein has been incorporated.
