Commission Regulation (EC) No 307/2005 of 24 February 2005 opening a preferential tariff quota for imports of raw cane sugar originating in the ACP States for supply to refineries in the period from 1 March to 30 June 2005

COMMISSION REGULATION (EC) No 307/2005

of 24 February 2005

opening a preferential tariff quota for imports of raw cane sugar originating in the ACP States for supply to refineries in the period from 1 March to 30 June 2005

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector[(1)], and in particular Article 39(6) thereof,

Whereas:

(1) Article 39(1) of Regulation (EC) No 1260/2001 provides that, during the marketing years 2001/02 to 2005/06 and in order to ensure adequate supplies to Community refineries, a special reduced rate of duty is to be levied on imports of raw cane sugar originating in States with which the Community has concluded supply agreements on preferential terms. At present such agreements have been concluded by Council Decision 2001/870/EC[(2)] with the African, Caribbean and Pacific States (ACP countries) listed in Protocol No 3 on ACP sugar attached to Annex V to the ACP-EC Partnership Agreement[(3)] and with the Republic of India.

(2) Under the agreements in the form of an exchange of letters concluded by Decision 2001/870/EC the refiners in question must pay a minimum purchase price equal to the guaranteed price for raw sugar, less the adjustment aid set for the marketing year concerned. This minimum price should therefore be set by taking account of the factors applicable in the 2004/05 marketing year.

(3) The quantities of special preferential sugar to be imported are calculated in accordance with Article 39 of Regulation (EC) No 1260/2001 on the basis of an annual Community forecast supply balance.

(4) This supply balance indicated the need to import raw sugar and open at this stage for the 2004/05 marketing year tariff quotas at a special reduced rate of duty provided for in the above agreements so that the Community refineries' supply needs can be met for part of the year. Quotas have been opened therefore, by Commission Regulation (EC) No 1213/2004[(4)], for the period from 1 July 2004 to 28 February 2005.

(5) Since the production estimates for raw cane sugar are available for the 2004/05 marketing year, a quota should be opened for the second part of the year.

(6) It should be stipulated that Commission Regulation (EC) No 1159/2003 of 30 June 2003 laying down detailed rules of application for the 2003/04, 2004/05 and 2005/06

Changes to legislation: *There are currently no known outstanding effects for the Commission Regulation (EC) No 307/2005. (See end of Document for details)*

marketing years for the import of cane sugar under certain tariff quotas and preferential agreements and amending Regulations (EC) No 1464/95 and (EC) No 779/96[(5)] applies to the new quota.

(7) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:
