Commission Regulation (EC) No 219/2005 of 10 February 2005 amending Regulation (EC) No 919/94 laying down detailed rules for the application of Council Regulation (EEC) No 404/93 as regards banana producers' organisations

COMMISSION REGULATION (EC) No 219/2005

of 10 February 2005

amending Regulation (EC) No 919/94 laying down detailed rules for the application of Council Regulation (EEC) No 404/93 as regards banana producers' organisations

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 404/93 of 13 February 1993 on the common organisation of the market in bananas[(1)], and in particular Article 9 thereof,

Whereas:

(1) Commission Regulation (EC) No 919/94[(2)] lays down, in particular, the conditions for the recognition of producer organisations, and Annex I thereto establishes the minimum volume of marketable production of bananas and the minimum number of producers that the organisations must prove they have as members.

(2) The minimum volume of marketable production of bananas and the minimum number of producers applicable to producer organisations in Cyprus must be established.

(3) In order to fulfil the economic tasks assigned to the producer organisations as regards production and marketing, to increase income from marketing and to improve the management of the sector, the creation of larger units must be encouraged and the thresholds relating to the number of members and the marketable volumes in Cyprus must be established.

(4) Regulation (EC) No 919/94 should therefore be amended accordingly.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Bananas,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EC) No 919/94 is hereby replaced by the text in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EC) No 219/2005. (See end of Document for details)
