Commission Regulation (EC) No 1809/2004 of 18 October 2004 amending Regulation (EC) No 2848/98 laying down detailed rules for the application of the quota buy-back programme in the raw tobacco sector

COMMISSION REGULATION (EC) No 1809/2004

of 18 October 2004

amending Regulation (EC) No 2848/98 laying down detailed rules for the application of the quota buy-back programme in the raw tobacco sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2075/92 of 30 June 1992 on the common organisation of the market in raw tobacco[(1)], and in particular Article 14(a) thereof,

Whereas:

(1) Article 36 of Commission Regulation (EC) No 2848/98 of 22 December 1998 laying down detailed rules for the application of Council Regulation (EEC) No 2075/92 as regards the premium scheme, production quotas and the specific aid to be granted to producer groups in the raw tobacco sector[(2)] set the amounts payable to producers whose quotas were bought under the quota buy-back programme during the 1999, 2000, 2001, 2002 and 2003 harvests.

(2) The planned objectives of rationalising production should be pursued since producers are continuing to have difficulty in selling their production of certain groups of tobacco varieties and/or can secure only extremely low prices for those varieties.

(3) For quotas under the 2004 harvest, the buy-back price should be fixed on the basis of the minimum level of aid which the farmer can receive under the direct payment scheme set up by Council Regulation (EC) No 1782/2003 of 29 September 2003 establishing common rules for direct support schemes under the common agricultural policy and establishing certain support schemes for farmers[(3)]. Moreover, with a view to the implementation of the single payment scheme, the payment period for the buy-back price should be kept to a minimum.

(4) Regulation (EC) No 2848/98 should be amended accordingly.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Tobacco,

HAS ADOPTED THIS REGULATION:
