Commission Regulation (EC) No 1696/2004 of 30 September 2004 fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex I to the Treaty

COMMISSION REGULATION (EC) No 1696/2004

of 30 September 2004

fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex I to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1255/1999 of 15 May 1999 on the common organisation of the market in milk and milk products[(1)], and in particular Article 31(3) thereof,

Whereas:

(1) Article 31(1) of Regulation (EC) No 1255/1999 provides that the difference between prices in international trade for the products listed in Article 1(a), (b), (c), (d), (e), and (g) of that Regulation and prices within the Community may be covered by an export refund.

(2) Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and criteria for fixing the amount of such refunds[(2)], specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999.

(3) In accordance with the first subparagraph of Article 4(1) of Regulation (EC) No 1520/2000, the rate of the refund per 100 kg for each of the basic products in question must be fixed for each month.

(4) However in the case of certain milk products exported in the form of goods not covered by Annex I to the Treaty, there is a danger that, if high refund rates are fixed in advance, the commitments entered into in relation to those refunds may be jeopardised. In order to avert that danger, it is therefore necessary to take appropriate precautionary measures, but without precluding the conclusion of long-term contracts. The fixing of specific refund rates for the advance fixing of refunds in respect of those products should enable those two objectives to be met.

(5) Article 4(3) of Regulation (EC) No 1520/2000 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organisation of the market in the product in question to the basic products listed in Annex A to Regulation (EC) No 1520/2000 or to assimilated products.

Changes to legislation: *There are currently no known outstanding effects for the Commission Regulation (EC) No 1696/2004. (See end of Document for details)*

(6) Article 12(1) of Regulation (EC) No 1255/1999 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions.

(7) Commission Regulation (EC) No 2571/97 of 15 December 1997 on the sale of butter at reduced prices and the granting of aid for cream, butter and concentrated butter for use in the manufacture of pastry products, ice-cream and other foodstuffs[(3)], lays down that butter and cream at reduced prices should be made available to industries which manufacture certain goods.

(8) In accordance with Council Regulation (EC) No 1676/2004 of 24 September 2004 adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in Bulgaria and the exportation of certain processed agricultural products to Bulgaria[(4)] with effect from 1 October 2004, processed agricultural products not listed in Annex I to the Treaty which are exported to Bulgaria are not eligible for export refunds.

(9) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products listed in Annex A to Regulation (EC) No 1520/2000 and in Article 1 of Regulation (EC) No 1255/1999, and exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999 shall be fixed as set out in the Annex to this Regulation.

Article 2

By way of derogation from Article 1 and with effect from 1 October 2004, the rates set out in the Annex are not applicable to goods not covered by Annex I to the Treaty when exported to Bulgaria.

Article 3

This Regulation shall enter into force on 1 October 2004.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
