Commission Regulation (EC) No 1167/2004 of 24 June 2004 fixing the rates of refunds applicable to certain products from the sugar sector exported in the form of goods not covered by Annex I to the Treaty

COMMISSION REGULATION (EC) No 1167/2004

of 24 June 2004

fixing the rates of refunds applicable to certain products from the sugar sector exported in the form of goods not covered by Annex I to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the market in sugar[(1)], and in particular Article 27(5)(a) and (15),

Whereas:

(1) Article 27(1) and (2) of Regulation (EEC) No 1260/2001 provides that the differences between the prices in international trade for the products listed in Article 1(1)(a), (c), (d), (f), (g) and (h) of that Regulation and prices within the Community may be covered by an export refund where these products are exported in the form of goods listed in Annex V to that Regulation. Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty and the criteria for fixing the amount of such refunds[(2)] specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EC) No 1260/2001.

(2) In accordance with Article 4(1) of Regulation (EC) No 1520/2000, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month.

(3) Article 27(3) of Regulation (EC) No 1260/2001 and Article 11 of the Agreement on Agriculture concluded under the Uruguay Round lay down that the export refund for a product contained in a good may not exceed the refund applicable to that product when exported without further processing.

(4) The refunds fixed under this Regulation may be fixed in advance as the market situation over the next few months cannot be established at the moment.

(5) The commitments entered into with regard to refunds which may be granted for the export of agricultural products contained in goods not covered by Annex I to the Treaty may be jeopardised by the fixing in advance of high refund rates. It is therefore necessary to take precautionary measures in such situations without, however, preventing the conclusion of long-term contracts. The fixing of a specific refund rate for the advance fixing of refunds is a measure which enables these various objectives to be met.

Changes to legislation: *Commission Regulation (EC) No 1167/2004 is up to date with all changes known to be in force on or before 25 December 2020. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

(6) It is necessary to ensure continuity of strict management taking account of expenditure forecasts and funds available in the budget.

(7) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:
