COMMISSION REGULATION (EC) No 1076/2004

of 7 June 2004

opening and providing for the administration of an autonomous tariff quota for preserved mushrooms

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Treaty of Accession of the Czech Republic, Estonia, Cyprus, Latvia, Lithuania, Hungary, Malta, Poland, Slovenia and Slovakia,

Having regard to the Act of Accession of the Czech Republic, Estonia, Cyprus, Latvia, Lithuania, Hungary, Malta, Poland, Slovenia and Slovakia, and in particular the first paragraph of Article 41 thereof,

Whereas:

(1) Commission Regulation (EC) No 2125/95[(1)] opened tariff quotas for preserved mushrooms and laid down rules for the administration thereof.

(2) Commission Regulation (EC) No 359/2004 of 27 February 2004[(2)] laying down transitional measures applicable to Regulation (EC) No 2125/95 by reason of the accession of the new Member States adopted measures to allow importers from those countries to benefit from Regulation (EC) No 2125/95. The aim of these measures was to make a distinction between traditional importers and new importers in the new Member States, and to adjust the quantities to which licence applications presented by traditional importers from the new Member States could relate so that these importers could benefit from this system.

(3) To ensure uninterrupted supplies to the enlarged Community market while taking account of the economic supply conditions in the new Member States prior to accession, an autonomous and temporary import tariff quota should be opened for preserved mushrooms of the genus *Agaricus spp.* falling within CN codes 0711 51 00, 2003 10 20 and 2003 10 30.

(4) Such fixing must be transitional and may not prejudge the outcome of the negotiations under way in the context of the World Trade Organisation (WTO) as a result of the accession of new members.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
